The Committee shall meet with the Agency's independent auditor at least annually to discuss the financial statements of the Agency.

Responsibilities of the Committee

The Committee shall from time to time:

The Agency's independent auditor shall be prohibited from providing non-audit services unless the Committee gives its prior written approval. Non-audit services include tasks that directly support the Agency's operations, such as bookkeeping or other services related to the accounting records or financial statements of the Agency, financial information systems design and implementation, appraisal or valuation services, actuarial services, investment banking services and other tasks that may involve performing management functions or making management decisions.

- Review and approve the Agency's audited financial statements, associated management letter, report on internal controls and all other auditor communications and meet with the independent audit firm as required to discuss any significant issues that may have surfaced during the course of the audit; review and discuss any significant risks reported in the independent audit findings and recommendations and assess the responsiveness and timeliness of management's follow-up activities pertaining to the same.

Ensure that the Internal Audit function is organizationally independent from the Agency's day-to-day operations.
