WHEREAS, the Agency has given due consideration to the Application and to the representations made by the Applicant therein, in certain supplemental documents and at this meeting, including, without limitation, representations of the Applicant that: (A) the granting by the Agency of the Financial Assistance with respect to the Proposed Project will be an inducement to the Applicant to undertake the Proposed Project; (B) the completion of the Proposed Project and the leasing and operation of the Project Facility by the Applicant will not result in the removal of a facility or plant of the Applicant from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant in the State but outside of the City of Glen Cove (the "City"); (C) the Proposed Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State; (D) the granting of the Financial Assistance by the Agency will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the City, and improve their standard of living, and prevent unemployment and economic deterioration, and thereby serve the public purposes of the Act; and (E) the Project Facility will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Proposed Project; and

WHEREAS, the Financial Assistance consisting of an amended and extended exemption from real property taxes, if granted, may represent a deviation from the Agency's uniform tax exemption policy with respect to the making of payments in lieu of real property taxes if the Agency decides to approve an extension of the term of the Existing PILOT Agreement; and

## PRELIMINARY AGREEMENT

THIS PRELIMINARY AGREEMENT (this "Preliminary Agreement") dated as of the 17 day of November, 2021, between the GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY, a public benefit corporation organized and existing under the laws of the State of New York (the "Agency"), and FAIR HOUSING DEVELOPMENT FUND CORPORATION, a not-for-profit corporation duly organized and existing under the laws of the State of New York (the "Applicant").

### WITNESSETH:

WHEREAS, the Agency is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 374 of the 1974 Laws of New York, as amended, constituting Section 919 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, the Applicant presented a draft application for financial assistance (the "Application") to the Agency, which Application requested that the Agency consider undertaking a proposed project consisting of the following (the "Proposed Project"): (A)(1) the acquisition of an interest in an approximately 6 parcel of land located on Janet Lane, City of Glen Cove, Nassau County, New York (Section: 21; Block: A; Lots: 514-542) (the "Land"), (2) the renovation of the existing twenty-seven (27) buildings (collectively, the "Building") on the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing to continue to be used by the Applicant as a low-income multifamily residential rental facility; (C) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of an amended and extended exemption or partial exemption from real property taxes; and (D) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity or entities as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, the Agency and the Company are parties to, inter alia, a certain Payment in Lieu of Taxes Agreement dated as of December 1, 2014 (the "Existing PILOT Agreement") with respect to the Project Facility; and

WHEREAS, the granting of the Financial Assistance, if approved, would represent a deviation from the Agency's uniform tax exemption policy with respect to the making of payments in lieu of real property taxes if the Agency decides to approve an extension of the term of the Existing PILOT Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Agency and the Applicant agree as follows:

Article 1. Representations; No Commitments.

Section 1.01. The Applicant hereby represents to the Agency that:

(A) Based on the proposed use of the Project Facility, the economic effects of the Proposed Project on the area in which it is situated, the employment reasonably expected to be created by the acquisition, construction, installation, equipping and operation of the Project Facility, and an analysis of how the Proposed Project would contribute to the realization of the public purposes of promoting job opportunities in the City of Glen Cove, New York (the "City"), and the prevention of economic deterioration in the City, the Proposed Project would constitute a commercial facility with a significant impact on the area in which it is situated, and would advance the Agency's purposes by promoting job opportunities and preventing economic deterioration in the City. Therefore, the Proposed Project would constitute a "project" within the meaning of the Act.

(B) The execution, delivery and performance by the Applicant of this Preliminary Agreement have been duly authorized by all necessary company action, and this Preliminary Agreement has been duly executed and delivered by the Applicant and is the legal, valid and binding obligation of the Applicant enforceable against the Applicant in accordance with its terms.

(C) The Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project Facility. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of Section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

(D) The undertaking of the Proposed Project will not result in the removal of a facility or plant of the Applicant from one area of the State of New York to another area of the State of New York or in the abandonment of one or more plants or facilities of the Applicant located in the State of New York (but outside the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act would not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant.

(E) Each owner, occupant or operator that would receive Financial Assistance with respect to the Proposed Project is in substantial compliance with applicable federal, state and local tax, worker protection and environmental laws, rules and regulations.

(F) As of the date of this Agreement, the Applicant is in substantial compliance with all provisions of Article 18-A of the General Municipal Law, including, but not limited to, the provisions of Section 859-a and Section 862(1) thereof.

(G) The granting by the Agency of the Financial Assistance with respect to the Proposed Project would be an inducement to the Applicant to undertake the Proposed Project in the City.

(H) The Applicant would not undertake the Proposed Project in the City without the granting of the Financial Assistance by the Agency.

(I) There is a lack of affordable, safe, clean and modern low-income rental housing in the City.

(J) Such lack of rental housing has resulted in individuals leaving the City and therefore adversely affecting employers, businesses, retailers, banks and other financial institutions, insurance companies, health care and legal services providers and other merchants in the City and otherwise adversely impacting the economic health and well-being of the residents of the City, employers, and the tax base of the City.

(K) The Project Facility, by providing such rental housing will enable persons to remain in the City and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the City which will increase the economic health and well-being of the residents of the City, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act.

Section 1.02. This Preliminary Agreement shall not commit the Agency to undertake the

Proposed Project or to grant to the Applicant any Financial Assistance with respect to the Proposed Project. The members of the Agency shall decide, in their sole and absolute discretion, whether or not to undertake the Proposed Project and to grant such Financial Assistance, and then only following a determination by the members of the Agency that all requirements of applicable laws, rules and regulations and the policies and procedures of the Agency (collectively, the “Legal Requirements”) have been fulfilled.

Article 2. Undertakings on the Part of the Agency.

Based upon the statements, representations and undertakings of the Applicant, and subject to the conditions set forth herein, the Agency agrees as follows:

Section 2.01. The Agency shall undertake formal consideration of the Proposed Project and the Financial Assistance relating to the Proposed Project, subject to the conditions contained in this Preliminary Agreement, including, but not limited to, the provision of Section 1.02 above and the following conditions:

(A) The Agency shall receive, in form and substance satisfactory to the Agency, such rulings, approvals, resolutions, consents, certificates, opinions of counsel and other instruments and proceedings as shall be specified by the Agency in connection with the Proposed Project and the various documents to be executed in connection with the Proposed Project;

(B) The Applicant shall provide the Agency and all other “involved/interested agencies” with all information and statements that may be required by said respective entities to ensure compliance by said entities with Article 8 of the Environmental Conservation Law (the “SEQR Act”) and the regulations adopted pursuant thereto (the “Regulations” and together with the SEQR Act, collectively, “SEQRA”).

(C) The Applicant shall comply with and shall provide the Agency with all information, documentation and statements required for the Agency to comply with the requirements of all Legal Requirements.

Article 3. Undertakings on the Part of the Applicant.

Based upon the statements, representations and undertakings of the Agency and subject to the conditions set forth herein, the Applicant agrees as follows:

Section 3.01. The Applicant hereby agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency (and its members, officers, agents, attorneys and employees) harmless from any and all liability, damages, causes of actions, losses, costs or expenses incurred by the Agency in connection with: (A) examination and processing of, and action pursuant to or upon, the Application, regardless of whether or not the Application, the Proposed Project or the Financial Assistance are favorably acted upon by the Agency, (B) the acquisition, construction, installation and equipping of the Project Facility, and (C) any further

action taken by the Agency with respect to the Proposed Project; including, without limiting the generality of the foregoing, (i) all fees and expenses of the Agency's general counsel, transaction counsel, economic development consultant, real property tax valuation consultant and other experts and consultants (if deemed necessary or advisable by the Agency) heretofore or hereafter incurred, and (ii) all other expenses incurred by the Agency in defending any suits, actions or proceedings that may arise as a result of any of the foregoing. If, for any reason whatsoever, the Agency decides not to proceed with consideration of the Application or the proposed Project or the Applicant fails to conclude or consummate necessary negotiations or fails within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels, or neglects the Application or if the Applicant is unable to secure third party financing, if required, or otherwise fails to conclude the Proposed Project, then upon presentation of an invoice by the Agency, its agents, attorneys or assigns, the Applicant shall pay to the Agency, its agents, attorneys or assigns, as the case may be, all fees and expenses reflected in any such invoice.

Section 3.02. The Applicant agrees that each of the Agency's general counsel, transaction counsel, economic development consultant, real property tax valuation consultant and other experts and consultants is an intended third-party beneficiary of this Preliminary Agreement, and that each of them may (but shall not be obligated to) enforce the provisions of Section 3.01 of this Preliminary Agreement, whether by lawsuit or otherwise, to collect the fees and expenses of such party or person incurred by the Agency (whether or not first paid by the Agency) with respect to the Application. The Applicant further agrees that the Agency may (but shall not be obligated to) directly enforce the provisions of Section 3.01 of this Preliminary Agreement against the Applicant, whether by lawsuit or otherwise, to collect such fees and expenses.

Section 3.03. The Applicant will take such further action and adopt such further proceedings as the Agency may deem necessary to implement its aforesaid undertakings or as the Agency may deem appropriate in pursuance thereof.

Section 3.04. This Preliminary Agreement is intended to facilitate discussion regarding the Proposed Project, and neither this Preliminary Agreement nor any discussions or course of conduct between the parties or their representatives shall constitute an agreement, offer or legally binding commitment by the Agency to undertake the Proposed Project or to grant the Financial Assistance. This Preliminary Agreement does not purport to summarize or contain all the conditions, covenants, representations, warranties and other provisions that would be contained in the definitive documentation between the Agency and the Applicant relating to the Proposed Project.
