RESOLUTION AUTHORIZING A DEVIATION FROM THE UNIFORM
TAX EXEMPTION POLICY OF THE GLEN COVE INDUSTRIAL
DEVELOPMENT AGENCY WITH RESPECT TO A PROJECT FOR
FAIR HOUSING DEVELOPMENT FUND CORPORATION
AND/OR ITS AFFILIATES OR RELATED DESIGNEES

WHEREAS, the Glen Cove Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”), and Chapter 374 of the 1974 Laws of New York, as amended, constituting Section 919 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act) or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, FAIR HOUSING DEVELOPMENT FUND CORPORATION, a not-for-profit corporation duly organized and existing under the laws of the State of New York (together with its affiliates or related designees, the “Company”), presented an application for financial assistance (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Proposed Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 6 parcel of land located on Janet Lane, City of Glen Cove, Nassau County, New York (Section: 21; Block: A; Lots: 514-542) (the “Land”), (2) the renovation of the existing twenty-seven (27) buildings (collectively, the “Building”) on the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment (the “Equipment”) necessary for the completion thereof (collectively, the “Project Facility”), all of the foregoing to continue to be used by the Company as a low-income multifamily residential rental facility; (C) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of an amended and extended exemption or partial exemption from real property taxes; and (D) the lease (with an obligation to purchase), license or sale of the Project Facility to the Company or such other entity or entities as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, the Agency and the Company are parties to, inter alia, a certain Payment in Lieu of Taxes Agreement dated as of December 1, 2014 (the “Existing PILOT Agreement”) with respect to the Project Facility; and

WHEREAS, the Application states that the Company is seeking an amended and extended exemption from real property taxes with respect to the Project Facility that, if granted, would constitute a deviation from the Agency’s established Uniform Tax Exemption Policy (the “Tax Exemption Policy”) that is published on the Agency’s website; and

WHEREAS, in accordance with Section 874(4) of the Act, (A) the Executive Director of the Agency caused letters dated March 29, 2022 (the “Pilot Deviation Notice Letters”) to be mailed to the chief executive officer of each affected tax jurisdiction, informing said individuals that the Agency would, at its meeting on April 12, 2022 (the “IDA Meeting”), consider a proposed deviation from the Tax Exemption Policy with respect to the payment in lieu of taxes agreement to be entered into by the Agency with respect to the Project Facility; and (B) the members of the Agency conducted the IDA Meeting on the date hereof and reviewed any written comments and correspondence received with respect to the proposed deviation from the Tax Exemption Policy; and

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Prior to making the determinations set forth in this Resolution, the members of the Agency have considered and weighed all of the factors set forth in the Tax Exemption Policy.

Section 2. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 3. Having reviewed all written comments and correspondence received at or prior to the IDA Meeting, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letters (copies of which are attached hereto as Exhibit A), because the Property Tax Exemption (as defined in the Pilot Deviation Notice Letters) is necessary to induce the Company to undertake the Project and to maintain the Project Facility as multifamily low-income housing. Deviating from the Policy in this instance will advance the job opportunities, general prosperity and economic welfare of the people of the State of New York and the City of Glen Cove.

Section 4. The Chairperson, Vice Chairperson and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter

adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Company (the “Transaction”), the Chairperson, Vice Chairperson and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into an Amended and Restated Payment in Lieu of Taxes Agreement amending and extending the Existing PILOT Agreement and providing for, among other things, the making of payments in lieu of property taxes consistent with the Pilot Deviation Notice Letters, and (B) file an amended application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 5. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

RE: NOTICE OF PROPOSED DEVIATION FROM UNIFORM TAX EXEMPTION POLICY

Ladies and Gentlemen:

Notice is hereby given that at a meeting of the Glen Cove Industrial Development Agency (the “Agency”) to be held on April 12, 2022, at 6:00 p.m. local time at City Hall, 9-13 Glen Street, City of Glen Cove, Nassau County, New York 11542, the Agency will consider whether to approve the application of the Applicant (as defined below) for certain “financial assistance” which, if granted, would deviate from the Agency’s Uniform Tax Exemption Policy (the “Policy”) with respect to the payment of real property taxes.

FAIR HOUSING DEVELOPMENT FUND CORPORATION, a not-for-profit corporation constituting a housing development fund corporation duly organized and existing under the laws of the State of New York (the “Applicant”), has undertaken a project with the Agency consisting of the following: (A) the acquisition of an interest in an approximately 6 acre parcel of land located at Janet Lane, City of Glen Cove, County of Nassau, New York (Section: 21; Block: 8A; Lots: 514-542), and the existing approximately 50,682 square feet contained in twenty-seven (27) buildings located on such land, together with related improvements to such land, and the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment, all of the foregoing for use as a low income housing project (collectively, the “Existing Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from real property taxes; and (C) the lease (with an obligation to purchase) or sale of the foregoing to the Applicant and agreed upon by the Agency.

The Applicant has submitted an application for financial assistance (the "Application") requesting that the Agency consider undertaking a new project with respect to the Existing Project Facility (the "Project"), consisting of the following: (A)(1) the acquisition of an interest in an approximately 6 parcel of land located on Janet Lane, City of Glen Cove, Nassau County, New York (Section: 21; Block: A; Lots: 514-542) (the "Land"), (2) the renovation of the existing twenty-seven (27) buildings (collectively, the "Building") on the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing to continue to be used by the Applicant as a low-income multifamily residential rental facility; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of an amended and extended exemption or partial exemption from real property taxes; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity or entities as may be designated by the Applicant and agreed upon by the Agency. The Project Facility would continue to be owned, operated and/or managed by the Applicant.

The Application states that the Applicant is seeking an abatement of real property taxes with respect to the Project Facility. Based upon negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an amended and extended real property tax exemption with respect to the Project Facility (the "Property Tax Exemption") that would result in a payment in lieu of taxes ("PILOT") agreement between the Agency and the Applicant and/or its affiliate or designee having an additional term of seven (7) fiscal tax years (the "PILOT Term"), with annual PILOT payments with respect to the Project Facility as follows:

PILOT Year	Annual PILOT Payment
1	\$73,442
2	\$74,911
3	\$76,409
4	\$77,937
5	\$79,496
6	\$81,086
7	\$82,708

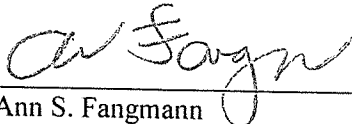

The PILOT Term would commence effective as of the first day of the first tax year of each affected tax jurisdiction following the expiration of the term of that certain Payment in Lieu of Taxes Agreement dated as of December 1, 2014 between the Agency and the Applicant with respect to the Existing Project Facility. Upon expiration of the PILOT Term, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility was returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy. The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and to maintain the Project Facility as multifamily low-income housing. Deviating from the Policy in this instance will advance the job opportunities, general prosperity and economic welfare of the people of the State of New York and the City of Glen Cove.

To the extent practicable, the meeting will be streamed on the Agency's website in real-time in accordance with Section 857 of the New York General Municipal Law, as amended. A video recording of the meeting will be posted and maintained on the Agency's website in accordance with Section 857 of the New York General Municipal Law, as amended.

Sincerely,

GLEN COVE INDUSTRIAL
DEVELOPMENT AGENCY

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the "Analysis"). The Agency has reviewed the Application, the Report and the Analysis, and, based upon the representations made by the Company to the Agency and information obtained by the Agency, the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the City of Glen Cove (the "City") and the prevention of economic deterioration in the City, the Project will constitute a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency's purposes by promoting employment opportunities and preventing economic deterioration in the City. Therefore, the Project constitutes a "project" within the meaning of the Act;

(b) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in the City;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Company;

(d) the completion of the Project Facility, the sublease thereof by the Agency to the Company and the operation thereof by the Company will not result in the removal of a facility or plant of the Company or any other occupant, tenant or user of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Company or any other occupant, tenant or user located within the State (but outside of the City). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs, and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the Project Facility will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. Therefore, the Project does not violate the provisions of Section 862 of the Act. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers;

(h) the granting of the Financial Assistance by the Agency with respect to the Project will encourage and assist the Company in undertaking the Project in the City, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the City and the State and improve their standard of living, and thereby serve the public purposes of the Act; and

(i) the Project will not result in the removal or abandonment of a plant or facility of the Company or any other occupant or user of the Project Facility currently located within the City; and

(j) The Project Facility, by providing affordable, safe, clean, modern, low-income multifamily residential rental housing will enable persons to remain in the City and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the City which will increase the economic health and well-being of the residents of the City

and help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Executive Director and the staff of the Agency with respect to the Application, the Analysis and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP as Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. Based upon the Agency's review of the Environmental Information, the Agency has made the following findings:

(a) The Project is a Type II action under SEQRA, precluded from further environmental review, because it consists of the "replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes," the "purchase or sale of furnishings, equipment or supplies, including surplus government property" and "reuse of a residential or commercial structure, or of a structure containing mixed residential and commercial uses, where the residential or commercial use is a permitted use under the applicable zoning law or ordinance" in connection with a project and does not meet or exceed any threshold for a Type I action.

(b) More specifically, the Project involves the replacement, rehabilitation or reconstruction of a structure or facility, in kind, because it involves interior renovation and rehabilitation of an existing structure with use and occupancy by a type of use permitted within the zoning district occupied by the Land. The Project will not expand the footprint of the Project Facility nor increase or substantially alter environmental impacts associated with the Land. Finally, the Project includes the acquisition of the Equipment in connection with the above.

Section 4. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 5. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, including correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms hereof. The Agency hereby approves the granting of an amended and extended exemption from real property taxes having an estimated value of \$1,238,239.

Section 6. The Agency is hereby authorized to (a) acquire the interests contemplated by the Company Lease, the Bill of Sale to Agency and the other Transaction Documents, (b) extend the term of the subleasehold interest in the Project Facility pursuant to the Agency Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Executive Director shall determine to secure the performance by the Company of its obligations under the Agency Lease and/or the PILOT

Agreement, and € do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Transaction Documents, in the forms presented to the members of the Agency, together with such changes as the Chairperson, Vice Chairperson or Executive Director may hereafter deem necessary or appropriate, are hereby approved.
