**PAYMENT IN LIEU OF TAXES AGREEMENT**

THIS AMENDED AND RESTATED PAYMENT IN LIEU OF TAXES AGREEMENT (this "Agreement"), made as of July 1, 2022, by and between FAIR HOUSING DEVELOPMENT FUND CORPORATION, a housing development fund corporation duly organized and existing under the laws of the State of New York, having an office at c/o The Law Office of Peter Morra, 393 Old Country Road, Suite 300, Carle Place, NY 11514 (the "Company"), and the GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY, a corporate governmental agency constituting a body corporate and politic and a public benefit corporation of the State of New York, having an office at 9-13 Glen Street, Glen Cove, NY 11542 (the "Agency"). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Lease Agreement (as hereinafter defined).

WITNESSETH

WHEREAS, the Agency is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act") and Chapter 374 of the 1974 Laws of New York, as amended, constituting Section 919 of said General Municipal Law (said Chapter and the Enabling Act, as amended from time to time, being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, the Company submitted an application for financial assistance (the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 6 parcel of land located on Janet Lane, City of Glen Cove, Nassau County, New York (formerly Section: 21; Block: 8A; Lots: 514-542 and now Section: 21; Block: 262; Lots: 1-27) (the "Land"), which Land is more particularly described in Exhibit A attached hereto, (2) the renovation of the existing twenty-seven (27) buildings (collectively, the "Building") on the Land, and (3) the acquisition of certain furniture, fixtures, machinery and equipment (the "Equipment") necessary for the completion thereof (collectively, the "Project Facility"), all of the foregoing to

continue to be used by the Company as a low-income multifamily residential rental facility; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of an amended and extended exemption or partial exemption from real property taxes; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Company or such other entity or entities as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, the Company is the owner of fee title to the Land and the Building (collectively, the “Facility”); and

WHEREAS, the Agency is the holder of a leasehold interest in the Facility pursuant to a Company Lease Agreement dated as of December 1, 2014 between the Agency and the Company, as amended by Amendment No. 1 to Company Lease Agreement dated as of the date hereof between the Agency and the Company (collectively, as amended, modified, supplemented or restated from time to time, the “Company Lease”); and

WHEREAS, the Company is the holder of a subleasehold interest in the Facility pursuant to a Sublease Agreement dated as of December 1, 2014 between the Agency and the Company, as amended by Amendment No. 1 to Sublease Agreement dated as of the date hereof between the Agency and the Company (collectively, as amended, modified, supplemented or restated from time to time, the “Lease Agreement”); and

WHEREAS, the Agency and the Company are parties to a certain Payment in Lieu of Taxes Agreement dated as of December 1, 2014 pursuant to which the Company has agreed to make certain payments in lieu of real property taxes and assessments levied against or with respect to the Facility (the “Existing PILOT Agreement”); and

WHEREAS, the Company has requested and the Agency is willing to modify the Existing PILOT Agreement to modify the terms of and extend the term of the Existing PILOT Agreement; and

WHEREAS, the payment and performance of the Company’s obligations under this Agreement shall be secured by a Mortgage and Assignment of Leases and Rents dated as of the date hereof (as amended, modified, supplemented or restated from time to time, the “PILOT Mortgage”) from the Company and the Agency, as mortgagor, to the City of Glen Cove (the “PILOT Mortgagee”), its successors and assigns, as mortgagee, pursuant to which the Agency and the Company grant a first mortgage lien on the Facility to the PILOT Mortgagee; and

WHEREAS, under the present provisions of the Act and under the present Section 412-a of the Real Property Tax Law of the State of New York (the “RPTL”), the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or under its control; and

NOW, THEREFORE, in consideration of the premises and the payments, agreements, and covenants hereinafter contained, the Company and the Agency covenant and mutually agree as follows:

Section 1. Tax-Exempt Status of Facility.

A. Application. (1) The Company shall complete, and the Agency shall file, an application for amended tax exemption pursuant to Section 412-a of the Real Property Tax Law (the "Application") to reflect the extension of the term of the Existing PILOT Agreement pursuant to this Agreement. The Application shall be filed with the assessor of each of the various taxing entities having jurisdiction over the Facility, including, without limitation, the County of Nassau (the "County"), the City of Glen Cove (the "City") and each other county, city, town, village and school district within which the Facility is located (such taxing entities, and any successors thereto, being hereinafter collectively referred to as the "Taxing Entities" and each individually as a "Taxing Entity"). This Agreement shall not take effect until the first day of the first fiscal tax year of each Taxing Entity immediately following the expiration of the final fiscal tax year for each such Taxing Entity under the Existing PILOT Agreement, provided that the appropriate tax assessor(s) have accepted the filing of the Application (such date, the "Amended Abatement Commencement Date"), and the Existing PILOT Agreement shall remain in full force and effect until the Amended Abatement Commencement Date.

(2) The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from any denial of an exemption from real property taxes and assessments, except to the extent that such denial results solely from the willful failure of the Agency, after demand by the Company, to file the completed Application for tax exemption as set forth in this Agreement.

B. Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law of the State of New York and Section 412-a of the RPTL may not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies levied and/or assessed against or with respect to the Facility, including, but not limited to, Sewer District Taxes.

C. Other Charges. If any assessments, service charges or other governmental charges (including, without limitation, BID district charges) become payable by the Company or the Agency on the Facility or the rents paid pursuant to the Lease Agreement or the occupancy of or any interest of the Company or the Agency in the Facility or any part thereof or any personal property used in connection with the business conducted and located therein, the amount of any such taxes, assessments or charges shall be paid by the Company, as and when due. Furthermore, water charges, sewer rentals, sewage treatment charges, solid waste charges and any other charges in the nature of utility charges shall be paid directly by the Company as and

when due and shall not be credited against nor be affected in any manner by any payment in lieu of real property taxes and assessments in any year and shall be computed pursuant to the formula adopted by the relevant Taxing Entity.

Section 2. Payments.

A. Tax Payments. Prior to the Amended Abatement Commencement Date, the applicable real property taxes and assessments levied and/or assessed against or with respect to the Facility shall be payable in full by the Company to the applicable Taxing Entity as if the Agency were not the holder of a leasehold interest in the Facility or otherwise involved in the Project; provided, however, that, if and to the extent the Existing PILOT Agreement shall be in force and effect, the Company shall make payments in lieu of such taxes and assessments as and to the extent set forth in the Existing PILOT Agreement.

B. Pilot Payments. From the Amended Abatement Commencement Date through and including the last day of the seventh (7th) fiscal tax year of each Taxing Entity thereafter (such date, the “Amended Abatement Expiration Date”), the Company shall make payments in lieu of real property taxes and assessments levied and/or assessed by the Taxing Entities against or with respect to the Facility (the “PILOT Payments”), as follows:

School Year	County/City Year	PILOT Payment
2022/23	2023	\$73,442
2023/24	2024	\$74,911
2024/25	2025	\$76,409
2025/26	2026	\$77,937
2026/27	2027	\$79,496
2027/28	2028	\$81,086
2028/29	2029	\$82,708

C. PILOT Payments After Abatement. After the Amended Abatement Expiration Date, the Company shall make payments in lieu of real property taxes and assessments equal to 100% of the real property taxes and assessment that would be levied upon the Facility by the Taxing Entities computed as if the Facility were owned by the Company and the Agency was not otherwise involved in the Project. until such time as the Agency shall no longer have any estate, title or interest in the Facility and Facility has been returned to the tax rolls as taxable real property.

“PILOT Obligations” shall mean all amounts required to be paid by the Company pursuant to this Agreement, including, without limitation, the amounts set forth in Sections 2(A), 2(B) and 2(C) above.

D. Payments. (1) Amounts due and payable under this Agreement shall be payable to the Controller of the City of Glen Cove (the "Controller"), 9-13 Glen Street, Glen Cove, NY 11542, or at such other address as the Agency may notify the Company of in writing.

(2) All PILOT Payments hereunder shall be allocated among the affected tax jurisdictions in proportion to the amount of real property and other taxes and assessments that would have been received by each Taxing Entity had the Project not been tax exempt due to the status of the Agency. This provision constitutes the formula for the calculation of the amounts of the PILOT Payments for each Taxing Entity as required by Section 859-a(6) of the General Municipal Law.

E. Due Dates; Interest; and Penalties. (1) The Company may be billed for PILOT Payments as if the Facility were on the tax rolls at the time when taxes for each Taxing Entity are due.

(2) If any payment required under this Agreement is not made on or before the due date thereof, such payment shall be delinquent and the unpaid amount(s) shall accrue interest (and penalties) at the rates applicable to late payments of taxes for the respective Taxing Entities and as further provided in the General Municipal Law, including Section 874(5) thereof, which currently provides for a late charge equal to the greater of (a) five (5%) percent of the unpaid amount for the first month, and for each month, or part thereof, that the payment is delinquent beyond the first month, an additional late charge equal to one (1%) percent per month of the total amount payable; and (b) the late charge applicable from time to time to real property tax levies and assessments that are not paid when due. The Company agrees to pay all such late charges, interest and penalties when due.

(3) Anything contained in this subparagraph to the contrary notwithstanding, the Company shall have the obligation to make all payments of PILOT Obligations (other than payments of penalties, if any), in (a) two equal semi-annual installments on or prior to December 1 and June 1 for the General Tax portion of the PILOT Obligations (for the City), (b) two equal semi-annual installments on or prior to January 1 and July 1 for the General Tax portion of the PILOT Obligations (for the County) and (c) two equal semi-annual installments on or prior to February 1 and August 1 for the School Tax portion of the PILOT Obligations, as applicable, of each year of the term of the Lease Agreement or on such other due dates as may be established by the Agency or the Controller from time to time during the term of the Lease Agreement.

F. Partial Sale; Transferee's Obligation; Apportionment of Reduction to Local Taxing Entities. During the term of this Agreement, in the event that the Agency's interest in the Facility, or any portion thereof or interest therein, is sold, transferred, assigned or otherwise disposed of by the Agency in accordance with the Lease Agreement, the transferees thereof will thereafter pay the real property taxes and assessments on the Facility and any Additional Facilities (as hereinafter defined) located on the Land, or on such portion of the Land,

that was sold, transferred, assigned or otherwise disposed of, as may be required by applicable law.

G. Sale; Company's Obligation. In the event that the Agency sells, transfers, assigns or otherwise disposes of its interest in the Facility to any party other than the Company, the Company's obligation for Pilot Obligations shall be prorated to the date of the closing of the transaction and thereupon all obligations of the Company for payment of Pilot Obligations shall cease, but the Agency shall take such steps with the transferee or assignee other than the Company to assure that each of the Taxing Entities shall suffer no loss of revenue until the Facility can be placed back on the tax rolls as fully taxable real property and taxes levied and billed therefor.

Section 3. Effective Date; Duration of Agreement. This Agreement shall become effective upon its execution and delivery by both the Company and the Agency and shall continue in effect until the earlier of (i) the expiration of the last tax year with respect to a Taxing Entity in which a Pilot Obligation is payable pursuant to Section 2(C) or (ii) the date on which title to the Facility is conveyed to the Company by the Agency pursuant to the Lease Agreement or this Agreement and the Facility has been placed back on the tax rolls as taxable real property.

Section 4. Events of Default. The following shall constitute an "Event of Default" under this Agreement:

A. Failure by the Company to make any payment specified herein and the continuance of such failure for a period of fifteen (15) days after receipt by the Company of written notice from the Agency and/or any Taxing Entity.

B. Failure by the Company to comply with or perform any provision of this Agreement other than the payment provisions hereof and the continuance of such failure for a period of thirty (30) days after receipt by the Company of written notice thereof from the Agency, or, if the failure to comply with or perform any provision of this Agreement is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the cure to completion with due diligence.

C. An Event of Default under the Company Lease, the Lease Agreement or any other agreement between the Agency and the Company.

D. If the Company shall sell, transfer, convey or otherwise dispose of its interest in the Facility or any portion thereof without the prior written consent of the Agency, except for transfers, sales, conveyances or other dispositions that are allowed pursuant to the Lease Agreement.

If the Company fails to make any payments pursuant to this Agreement when due, the amount or amounts so in default shall continue as an obligation of the Company until fully paid.

Upon the occurrence and during the continuance of an Event of Default hereunder, the Company shall be required to make payments in lieu of real property taxes and assessments levied by the Taxing Entities on the Facility as if it were owned by the Company and the Agency was not otherwise involved in the Project, such amounts to commence to be paid for the period subsequent to the date it is determined by the Agency that there is an Event of Default hereunder. In such event, the tax rate, interest and penalties shall be those then in effect in the Taxing Entities in which the Facility is located.

Upon the occurrence and during the continuance of an Event of Default hereunder, (i) the Agency shall be entitled to sue to enforce any provision of this Agreement and to recover the payments of PILOT Obligations in default from the Company, together with all the costs and expenses of the Agency, its successors or assigns, paid or incurred in such recovery (including court costs and reasonable attorneys' fees and expenses) and interest at the rate charged by the respective Taxing Entities on overdue payments of taxes, and (ii) the Agency shall have the right to terminate the Lease Agreement at any time, and the Company shall accept such termination and any tender of reconveyance by the Agency of its interest in the Facility.

The Agency, in enforcing payment by the Company of the PILOT Obligations, may take whatever action and exercise any or all of the rights and remedies specified in this Agreement or any other remedy provided by law.

Each and every Event of Default shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises.

No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. Further, no payment by the Agency or receipt by the Agency or a Taxing Entity of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed to effect or evidence an accord and satisfaction, and the Agency and/or any Taxing Entity may accept any check or payment as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

In no event shall the Agency be liable to any of the Taxing Entities for the payments specified herein, whether or not the Company makes such payments. The Company hereby agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and

employees, past, present and future, against any such liability for such payments and against all penalties, interest, and other charges resulting from the delinquency of such payments.

The Agency and the Company hereby acknowledge the right of the City, as beneficiary of this Agreement (on behalf of itself and all other Taxing Entities), to pursue any appropriate remedies, including an action or proceeding in the courts, to recover directly from the Company any payments of PILOT Obligations in default hereunder and/or to exercise its rights and remedies under the PILOT Mortgage. The Company shall promptly notify the Agency of any action or proceeding brought, or other measure taken, by a Taxing Entity to recover such payments in default hereunder. It is understood that the right of any Taxing Entity herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this Agreement.

In the event that any interest in and to the Facility is conveyed by the Company to any other party prior to expiration of the term of the Lease Agreement (other than transfers expressly permitted under the Lease Agreement or otherwise consented to by the Agency), this Agreement shall, at the option of the Agency, become null and void and any remaining tax abatement hereunder shall be canceled.

The rights, powers and remedies of the Agency and the City under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which the Agency or the City may have against the Company pursuant to this Agreement or the other Transaction Documents, or existing at law or in equity or otherwise. The respective rights, powers and remedies of the Agency and the City hereunder may be pursued singly, concurrently or otherwise, at such time and in such order as the Agency or the City may determine in its sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Event of Default with respect to the Company shall not be construed to be a waiver of any subsequent Event of Default by the Company or to impair any remedy, right or power consequent thereon.

Section 5. Additional Facilities. If any structural additions or change in use shall be made to the buildings or other improvements included in the Facility subsequent to the date hereof, or if any additional buildings or improvements shall be constructed on the Land other than the Building (such change of use, new structures, structural additions, buildings and improvements being referred to hereinafter as "Additional Facilities"), the Company agrees to increase the PILOT Obligations hereunder in an amount, as determined by the Agency or a tax assessor selected by the Agency, equal to the increased tax payments, if any, that would have been payable on such increase if this Agreement were not in effect. Nothing herein shall constitute the Agency's consent to the construction of any such additions or additional buildings or improvements or to such change of use.

Section 6. Change of Law. In the event the Facility, or any part thereof, is declared to be subject to taxation for real property taxes or assessments by an amendment to the Act, other legislative change or a final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void. If the Company has already paid any amounts under this Agreement for any period that the Company is required to pay taxes or assessments because of such amendment, legislative or final judgment (collectively, "Prior Payments"), then the Company shall look to the Taxing Entities for repayment of the Prior Payments or a credit in the amount of the Prior Payments against taxes payable to the relevant Taxing Entity but in no event shall the Company look to the Agency for a refund of the Prior Payments.

Section 7. Waiver of Tax Exemption. The Company, in recognition of the benefits provided under this Agreement, and for so long as the Lease Agreement is in effect, hereby expressly waives any rights it may have for any exemption under Section 485-b of the RPTL or any other exemption under any other law or regulation (except, however, for the exemption provided under Article 18-A of the General Municipal Law) with respect to the Facility.

The Company, in recognition of the benefits provided under this Agreement and the Lease Agreement, hereby expressly waives the right to institute judicial or other review of an assessment of the real property with respect to the Facility, whether pursuant to the provisions of Article 7 of the RPTL or other applicable law, as the same may be amended from time to time. Notwithstanding the foregoing, during the last three (3) years of the term of this Agreement, the Company shall have the right, at its sole cost and expense, to institute judicial review of an assessment of the real estate with respect to the Facility pursuant to the provisions of Article 7 of the RPTL or other applicable law, as the same may be amended from time to time. In no event shall the Agency be required to remit to the Company or any Taxing Entity any monies otherwise due as a result of a reduction in the assessment of the Facility (or any part thereof) due to a certiorari review or otherwise. If the Company receives a reduction in such assessment, the Company acknowledges that it shall look solely to the Taxing Entities for repayment or for a credit against the first payment(s) of taxes on the Facility which will be due after the Facility is returned to the tax rolls.

Section 8. Delivery of PILOT Statement. The Company shall deliver to the Agency and the Controller, on or before the dates set forth for payment of the PILOT Obligations in Section 2 hereof, in each year during the term of the Lease Agreement, a verified statement setting forth the amount of such payments and the dates of such payments.

Section 9. Limited Obligation. The obligations, covenants and agreements of the Agency hereunder shall not constitute or give rise to an obligation of the State of New York, the County or the City and neither the State of New York, nor the County, nor the City shall be liable thereon, and further, such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency.

Section 10. No Waiver. Failure by the Agency in any instance to insist upon the strict performance of any one or more of the obligations of the Company under this Agreement, or to exercise any election herein contained, shall in no manner be or be deemed to be a waiver by the Agency of any of the Company's defaults or breaches hereunder or of any of the rights and remedies of the Agency by reason of such defaults or breaches, or a waiver or relinquishment of any and all of the Company's obligations hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing. Further, no payment by the Company or receipt by the Agency of a lesser amount than the correct amount or manner of payment due hereunder shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed to effect or evidence an accord and satisfaction, and the Agency may accept any check or payments as made without prejudice to the right to recover the balance or pursue any other remedy in this Agreement or otherwise provided at law or in equity.

Section 11. Notices. Any notice or other written communications required or permitted hereunder shall be determined to be duly and properly given, made, or delivered when delivered or three (3) business days after being mailed by certified mail, return receipt requested (a) if to the Agency, to the Executive Director, Glen Cove Industrial Development Agency, City Hall, 9-13 Glen Street, Glen Cove, New York 11542, with a copy to Phillips Lytle LLP, 1205 Franklin Avenue, Suite 390, Garden City, New York 11530, Attention: Milan K. Tyler, Esq., and (b) if to the Company, Fair Housing Development Fund Corporation, c/o The Law Office of Peter Morra, 393 Old Country Road, Suite 300, Carle Place, NY 11514.

Section 12. Change of Address. The Agency or the Company may, by notice given hereunder to each other, designate any further or different addresses to which subsequent notices, certificates or other communications to them shall be sent.

Section 13. Assignment of Agreement. This Agreement shall be binding upon the successors and permitted assigns of the Company but no assignment shall be effective to relieve the Company of any of its obligations hereunder unless expressly authorized and approved in writing by the Agency. The rights and obligations of the Company hereunder may not be assigned except in connection with a permitted assignment of the Company's interest in and to the Lease Agreement. Nothing herein is intended to be for, or to inure to, the benefit of any Person other than the parties hereto, the City and the other Taxing Entities.

Section 14. Independent Agreement. Notwithstanding any other provision of this Agreement, including the recitals hereof, the parties agree that the Lease Agreement executed between the parties thereto shall be a separate and independent document from this Agreement, and irrespective of whether any provision of this Agreement or the entirety hereof shall be held invalid or unenforceable by any court of competent jurisdiction, the Lease Agreement shall be construed, interpreted, and otherwise regarded separate and apart from this Agreement. The parties hereto specifically note that the considerations and terms provided for in

this Agreement and provided for in the Lease Agreement are the only considerations and terms for which the parties thereto have executed this Agreement.

Section 15. Invalidity. If any one or more phrases, sentences, clauses or provisions of this Agreement or the entirety hereof shall be declared invalid or unenforceable by any order, decree or judgment of any court of competent jurisdiction, then such phrase, sentence, clause or provision or the entirety of this Agreement shall be deemed to be reformed in such manner as shall be determined by such court, or in the absence of such a determination then in the reasonable judgment of the Agency, to render such phrase, sentence, clause or provision of this Agreement valid and enforceable under applicable law. The parties hereto agree to enter into such documents, agreements and instruments as the Agency reasonably determines are necessary to effect any such reformation. In the event that any one more of the phrases, sentences, clauses or provisions of this Agreement cannot be reformed to comply with applicable law, then this Agreement shall be construed as if such phrase, sentence, clause or paragraph had not appeared in this Agreement.

Section 16. Amendments. This Agreement may not be modified, amended, supplemented, or changed without the written consent of the Agency and the Company.

Section 17. Prior Agreements. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, whether written or oral, among the parties with respect to the subject matter hereof.

Section 18. Delivery of Agreement. The Agency covenants to use its reasonable efforts to deliver to each Taxing Entity a copy of this Agreement within fifteen (15) days after its execution.

Section 19. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 20. Service of Process; Consent to Jurisdiction; Forum.

A. The Company represents that it is subject to service of process in the State of New York and covenants that it will remain so subject so long as the Lease Agreement shall be in effect. If for any reason the Company should cease to be so subject to service of process in the State of New York, the Company hereby designates and appoints, without power of revocation, Peter Morra, Esq., The Law Offices of Peter Morra, 393 Old Country Road, Suite 300, Carle Place, NY 11514, as agent for service of process, and if such agent shall cease to act or otherwise cease to be subject to service of process in the State of New York, the Secretary of State of the State of New York, as the agents of the Company upon whom may be served all process, pleadings, notices or other papers which may be served upon the Company as a result of any of its obligations under this Agreement; provided, however, that the serving of such process,

Doc #1551958 1

pleadings, notices or other papers shall not constitute a condition to the Company's obligations hereunder.

B. The Company irrevocably and unconditionally (1) agrees that any suit, action or other legal proceeding arising out of this Agreement or the other Transaction Documents may be brought in the courts of record of the State of New York in Nassau County or the courts of the United States, Eastern District of New York; (2) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (3) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as the Lease Agreement is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 11 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.

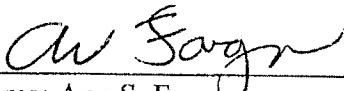

Section 21. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, as the same may be in effect from time to time, without regard to its principles of conflicts of laws.

Section 22. Amendment and Restatement. This Agreement is given in renewal, amendment and restatement of, and not in extinguishment, termination or replacement of, the Existing PILOT Agreement. The Company represents and warrants to the Agency that the Company has no right of setoff, defense, claim or counterclaim with respect to its obligations under the Existing PILOT Agreement.

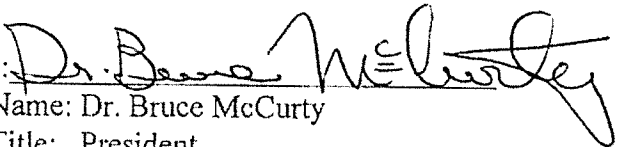

Section 23. Indemnification. The Company agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability arising from any default by the Company in performing its obligations hereunder or any expense incurred hereunder, including, without limitation, any expenses of the Agency and attorneys' fees and expenses.

IN WITNESS WHEREOF, the Agency and the Company have made this Agreement to be executed in their respective names by their duly authorized officers, all on the date first above written.
