## Independent Auditors' Report

**The Board of Directors of the  
Glen Cove Industrial Development Agency**

### **Report on the Audit of the Financial Statements**

#### ***Opinions***

We have audited the financial statements of the Glen Cove Industrial Development Agency ("Agency") (A Component Unit of the City of Glen Cove, New York) as of and for the year ended December 31, 2022 and the related notes to the financial statements, which collectively comprise the Agency's financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of December 31, 2022 and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Agency, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the financial statements. Such information is the responsibility of management and, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Other Supplementary Information***

Management is responsible for the other supplementary information included in the annual financial report. The other supplementary information consists of the Schedule of Indebtedness - Bonds and Notes, Schedule of Straight-Lease Transactions and the Schedule of Payments in Lieu of Taxes but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other supplementary information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other supplementary information and consider whether a material inconsistency exists between the other supplementary information and the financial statements, or the other supplementary information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other supplementary information exists, we are required to describe it in our report.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 28, 2023 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Management's Discussion and Analysis (Unaudited)  
For the year ended December 31, 2022

**Introduction**

As management of the Glen Cove Industrial Development Agency ("Agency", "IDA"), we offer readers of the Agency's financial statements this narrative overview and analysis of the financial activities of the Agency for the fiscal year ended December 31, 2022. It should be read in conjunction with the basic financial statements, which immediately follow this section, to enhance understanding of the Agency's financial performance.

**Financial Highlights**

Key financial highlights for the fiscal year ended December 31, 2022, are as follows:

- The liabilities and deferred inflows of resources of the Agency exceeded its assets and deferred outflows of resources at the close of the most recent fiscal by \$1,158,243.
- Net position, which reflected an overall deficit increased by \$171,859.
- Operating revenues decreased by \$460,487 from \$659,226 to \$198,739, representative of a decrease in administrative fees.
- Operating expenses decreased by \$10,459 from \$384,651 to \$374,192.

**Net Position**

Net position may serve over time as a useful indicator of a government's' financial position. For the Agency, liabilities and deferred inflows of resources exceed assets and deferred outflows of resources by \$1,158,243 at the close of 2022.

|                                  | 2022           | 2021         |
|----------------------------------|----------------|--------------|
| Current Assets                   | \$ 924,564     | \$ 1,071,826 |
| Net Pension Asset                | 33,483         | -            |
| Non-current Assets               | 49,570         | 53,493       |
| Capital Assets, Net              | 1,888          | 3,396        |
| Total Assets                     | 1,009,505      | 1,128,715    |
| Deferred Outflows of Resources   | 263,428        | 297,594      |
| Current Liabilities              | 73,431         | 64,356       |
| Long-Term Liabilities            | 1,872,403      | 2,050,461    |
| Total Liabilities                | 1,945,834      | 2,114,817    |
| Deferred Inflows of Resources    | 485,342        | 297,876      |
| Net Position                     |                |              |
| Net Investment in Capital Assets | 1,497          | 1,901        |
| Restricted                       | -              | 17,920       |
| Unrestricted                     | (1,159,740)    | (1,006,205)  |
| Total Net Position               | \$ (1,158,243) | \$ (986,384) |

Total assets decreased by \$119,210 (11%), from \$1,128,715 at December 31, 2021 to \$1,009,505 at December 31, 2022.

In 2022 cash and equivalents, restricted cash and investments accounted for \$898,183 (90%) of total assets. In 2021, cash and equivalents, restricted cash and investments accounted for \$1,039,083 (92%) of total assets.

Total liabilities decreased in 2022 by \$168,983 (8%), from \$2,114,817 in 2021 to \$1,945,834 in 2022.

### **Summary of Operations - Change in Net Position**

The Agency's statements of revenue, expenses and changes in net position are presented in the table below.

|                                     | <u>2022</u>                  | <u>2021</u>                |
|-------------------------------------|------------------------------|----------------------------|
| <b>OPERATING REVENUES</b>           |                              |                            |
| Fees and other revenue              | \$ 198,739                   | \$ 659,226                 |
| <b>OPERATING EXPENSES</b>           |                              |                            |
| Salaries and benefits               | 200,968                      | 219,998                    |
| Contractual expenses                | 168,753                      | 160,969                    |
| Depreciation expense                | 1,508                        | 1,477                      |
| Redevelopment costs not recoverable | <u>2,963</u>                 | <u>2,207</u>               |
| Total Operating Expenses            | <u>374,192</u>               | <u>384,651</u>             |
| Loss from Operations                | (175,453)                    | 274,575                    |
| <b>NON-OPERATING REVENUES</b>       |                              |                            |
| Interest income                     | <u>3,594</u>                 | <u>1,968</u>               |
| Change in Net Position              | (171,859)                    | 276,543                    |
| <b>NET POSITION</b>                 |                              |                            |
| Beginning                           | <u>(986,384)</u>             | <u>(1,262,927)</u>         |
| Ending                              | <u><u>\$ (1,158,243)</u></u> | <u><u>\$ (986,384)</u></u> |

The majority of the Agency's revenues are derived from administrative fees on taxable bonds funded through the Agency, and a straight lease fee. Additionally, the Agency imposes a closing fee on bond issuances.

Total revenues decreased by \$458,861 from \$661,194 in 2021 to \$202,333 in 2022, while expenses decreased slightly by \$10,459 in 2022.

Net position serves as an indicator of the Agency's resources to conduct operations. The Agency's net position was (\$1,158,243) and (\$986,384) on December 31, 2022 and 2021.

For details of the Agency's finances, see the accompanying financial statements and notes thereof.

## **Capital Assets**

The Agency's capital assets at December 31, 2022, net of accumulated depreciation, was \$1,888. This amount represents a net decrease of \$1,508.

| <u>Asset</u>                    | <u>2022</u>     | <u>2021</u>     |
|---------------------------------|-----------------|-----------------|
| Machinery and equipment         | \$ 14,690       | \$ 14,690       |
| Less - accumulated depreciation | <u>(12,802)</u> | <u>(11,294)</u> |
| Total (net of depreciation)     | <u>\$ 1,888</u> | <u>\$ 3,396</u> |

## **Overview of the Financial Statements**

This annual report consists of the following three parts: Management's Discussion and Analysis, Basic Financial Statements, and Other Supplementary Information. The Financial Statements include notes, which explain in detail some of the information included in the basic financial statements.

## **Required Financial Statements**

The Financial Statements of the Agency report information utilizing the full accrual basis of accounting. The Financial Statements conform to accounting principles generally accepted in the United States of America. The Statement of Net Position include information on the Corporation's assets and liabilities and provide information about the nature and amounts of investments in resources (assets) and the obligations to the Agency's (liabilities). The Statement of Revenues, Expenses and Changes in Net Position identify the Agency's revenues and expenses for the year ended December 31, 2022. This statement provides information on the Agency's operations over the past year and can be used to determine whether the Agency's has operated in a surplus or deficiency.

## **Financial Analysis of the Agency**

The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Net Position provide an indication of the Agency's financial condition and also indicate that the financial condition of the Agency has improved or deteriorated during the last year. The Agency's net position reflects the difference between assets and liabilities. An increase in net position over time typically indicates an improvement in financial condition.

## **Debt Management**

The Agency may issue industrial development revenue bonds that are secured by property, which is leases to companies who had received the bond proceeds. The bonds are retired by lease payments collected from these companies. The bonds are not obligations of the Agency, and the Agency does not record the assets or liabilities resulting from completed bond and note issues in its accounts. Its primary function is to arrange conduit financing between the borrowing entities and the bond and note holders. Typically, trustees or banks acting as fiscal agents control funds arising from these transactions. The Agency monitors the compliance of the organizations with the provisions of the bond contracts.

## **Major Initiatives**

### ***Waterfront Revitalization Project (Garvies Point)***

The IDA closed on the Waterfront Revitalization Project (Garvies Point) in November 2016 and continues to work with RXR Glen Isle Partners LLC (RXR) in constructing the Public Amenities and green space for use by the residents of Glen Cove. Phases 1 and 2 of the public amenities are 99% completed including marina, dog park, esplanade, playground, boat ramp, bathrooms, ferry site parking lot pavement. Angler Club docks are now complete as of February 2022. This project will benefit the City of Glen Cove, its residents, and Nassau County by reclaiming blighted industrial waterfront property for public benefit and enjoyment through creating open space, luxury and workforce housing and retail/office space. RXR as developer of the Garvies Point waterfront destination will create more than 460 direct and indirect jobs per year during construction and will support more than 220 jobs post-completion. There will also be new tax revenues and money infused into the Glen Cove economy. Three residential buildings are being developed during phase I of construction. Building H-rentals (177 units) and Building I-rentals (208 units), also known as Harbor Landing is open for occupancy, with Building H resident move-ins that started during fall 2019. Brendel's Bagels and Building I at Harbor Landing opened in fall 2020. As of 2021, Harbor Landing is fully leased-up. The Building B-condos (167 units known as The Beacon) leasing office opened at the end of 2019, with closings and move-ins which began in early 2020. At the end of 2022, Building B had approximately 71% of the units sold or under contract. In 2021, work on Phase 1 (east of the Ferry Terminal) of the public amenities was substantially completed and opened to the public. The U.S. Army Corp. of Engineers (ACOE) issued its Bulkhead/Marina Permit for the project on August 17, 2018, with subsequent amendments approved in the following years. The old Angler's Club was removed and replaced with a new building in 2019. The Certificate of Occupancy was issued in early 2020, with a ribbon cutting held thereafter. The Angler's Club Marina was completed in 2020; however, installation of the finger docks had been put on hold pending a waiver request for 20 ft docks to the ACOE (granted in 2021). Installation of the longer finger docks was completed in early 2022, with all work at the Angler's club complete as of March 2022. Additional work to stabilize the open cell bulkhead at the Garvies Point Public Marina was completed in 2021, with the final set of docks installed in 2022. Public roadway work in Phase I (Dickson Street, Road F and Road G) is complete and open to the public. Phase 2 (west of the ferry terminal) of the public amenities was completed in 2021 and opened to the public; this includes Road D parking adjacent to the ferry terminal and dog park as well as a public parking lot adjacent to Building B and Garvies Point Park. The Deep Roots Farmer's Market is located in the public parking lot near Building B during the summer months. All of the outside furniture has been installed and the Ecology Pier and playground were completed and opened to the public in 2021. The dog park was previously completed and opened to the public in winter 2021. the entire Phase I and Phase II Waterfront Esplanade was completed and opened to the public by the end of 2021. Both gazebos have been constructed and furnished. The public bathrooms on the west of the ferry terminal and boat attendant building (with public bathrooms) at the terminus of Garvies Point Road were completed and opened to the public in 2021. In February 2022, an agreement between RXR acting as agent to the IDA and Terry Contracting & Materials, Inc. (Terry) was reached to stabilize and reconstruct a portion of bulkhead located on Block J adjacent to the Brewery. In order to accomplish this work, an easement agreement between the current property owner of the bulkhead (47 Herb Hill LCC), RXR and the IDA was executed in July 2022. The four (4) properties that currently make up Block J are the subject of Phase III, the final phase of the public amenities work. As of 2022, RXR has entered into purchase agreements for two (2) of those properties with 47 Herb Hill LLC and Windsor Oil. RXR and Garvies Point Brewery (see below) own the remaining Block J properties. A total of \$71,638,056.83 has been spent on the Public Amenities at the Waterfront, as of December 31, 2022.

The Waterfront Revitalization Project (Garvies Point) reported 81 FTE's in 2022, with 55 retained and 26 created. 131 construction jobs were also reported.

### ***Ferry Terminal***

The Ferry Terminal Building was completed in December 2015 and full project close-out was completed in 2017 with all grant funding reimbursed. Paving and striping of the Ferry Terminal parking lot was completed in 2021 in coordination with RXR and the public amenities work. The City released an RFP for a Ferry Operator in November 2017. Two respondents submitted proposals. The City of Glen Cove accepted the proposal of Hornblower Metro Ferry LLC with the commencement of service targeted for May 2020. The City requested an extension from FHWA and NYSDOT who were the funding agencies for the project and approval was granted to delay the commencement of ferry service to May 2020, to allow time for the Garvies Point (Phase I), Village Square, and Herb Hill/Garvies Point Road projects to be completed reducing the hazardous construction conditions that would be at and around the ferry terminal site. A detailed action plan with milestones to achieve this goal was developed in 2018 and approved for implementation by the FHWA and NYSDOT during 2019. The IDA assisted the City in the RFP process for operator and the City entered into a letter of intent to contract with Hornblower Metro Ferry, LLC in January 2020. However, due to the Covid-19 pandemic, the NYSDOT and FHWA have agreed to an indefinite postponement of the City's commuter ferry service at this time. The City entered into a one-year agreement with Eastern Star Dinner/Event Cruises in May 2019 for a one-year term at an annual cost of \$15,000, with subsequent extensions negotiated by the City. In fall 2022, the City/IDA in partnership with Hornblower released a public survey. This survey will help the City of Glen Cove gain a better understanding of the prospective ridership of a commuter ferry service from Glen Cove to Manhattan given workplace restrictions being lifted. As of the end of 2022, approximately 1,500 survey responses have been received. The City has continued discussions on the future use of the ferry terminal site with USDOT and NYSDOT both directly and through its local elected officials.

### ***Herb Hill/Garvies Point Road Reconstruction***

The Herb Hill/Garvies Point Road Reconstruction contract was awarded in January 2017. The team worked with NYSDEC to develop an Excavation Work Plan (EWP) approved by NYSDEC in early November 2017. In 2019, substantial work (approximately 80%) was completed on the project, including the installation of underground utilities (sewer, water, drainage, telecommunications) from the terminus at the west end of Garvies Point Road to near the Slant Fin property. The installation of a temporary bypass at the intersection of Herb Hill Rd., Garvies Point Rd. and Dickson St. was also completed by RXR to facilitate work on the project in 2019. As of late spring 2020, the project was fully completed, transforming the one mile, degraded and inadequate roadway into a corridor for the Waterfront, with new pedestrian sidewalks; sanitary sewer, water, telecommunications, electrical utilities; and stormwater management infrastructure. In addition, the roadway was elevated, with utilities relocated underground, providing resiliency measures for major storm events. Funding for the road project will be provided by NYSDOT, \$6.5 million and \$2.5 million by Empire State Development. The balance of the funding will be paid from bond proceeds totaling \$15,942,847 for the road. Due to escalation caused by project delays and cost increases resulting from the requirements imposed by the NYSDEC and water management issues, the City worked with the IDA, GCLEAC, and RXR to make up to approximately \$13.7M available from the Public Amenities account to the City account for the Road project, as needed. This was memorialized in several agreements executed between the parties, including the First Amendment to the Trust Indenture, PIF Agreement, and Road Agreement. As of the end of 2022, approximately \$7,534,194 was transferred to the City account from the Public Amenities account for the road. Approximately \$30,332,233 has been spent on the road construction (including professional fees). As of the end of 2022, approximately \$6,847,986 has been reimbursed by NYSDOT for the project (full reimbursement). During 2021, ESD Board approval for the grant reimbursement

was received; the Grant Disbursement Agreement was reviewed and executed; and the CDA responded to numerous ESD audit requests. The full \$2,500,000 grant reimbursement from ESD was received in December 2021 closing out the grant. The CDA received approval for all project close-out materials for NYSDOT submitted in 2021. Final construction payment issues were resolved and the CDA received the final payment of \$425,468 from NYSDOT on 11/2/22. NYSDOT project close-out is complete. The project is closed with the City pending NYSDEC fees received on 11/4/22. The CDA/City is in the process of disputing these fees.

### ***Village Square***

The IDA closed on the Village Square property with RXR Glen Cove Village Square Owner LLC, in December 2017 and received administrative fees of \$309,736. This 2.5-acre, five story, mixed use project is located in the Downtown Business Improvement District (BID) and centered on a large public plaza, which will help revitalize the downtown area by creating approximately 146 residential rental housing units, including 13 workforce units, approximately 15,000 square feet of commercial space and, including approximately 1,900 square feet of medical office space and 171 parking spaces on site. The IDA estimates 15-25 full time jobs will be created from this project as well as 100-150 construction jobs. The City also received a PILOP fee for \$207K. The parking lease agreement entails that RXR rent at least 25 spaces per month in the Brewster Street Garage for \$65 per month and allows up to 75 spots for residents in the garage based on demand. The project began in August of 2017, with RXR starting the demolition of the buildings on the property. Construction continued in 2019 with the majority of vertical and façade work completed. The large public plaza was also substantially completed in 2019. Construction concluded in 2020 with a ribbon cutting held in October of 2020. Additionally, a lottery for the 13 affordable units was held in June of 2020 with the support of the Long Island Housing Partnership. Pre-leasing began in summer 2020, with full lease-up of the residential units in 2021; demand for the units is high. In December 2020, the City and RXR held a dedication ceremony for the public plaza. In 2021, the BID hosted the Downtown Sounds summer musical series in the plaza, with nearby restaurants participating in outdoor dining opportunities. In 2021, the plaza and retail space continued to host the Deep Roots Farmers Market, tree lighting, and Winter Festival during the winter months. During 2021, RXR executed a lease with Chase; Chase relocated their former retail branch on Forest Avenue to a space in the ground floor retail of Village Square. In 2022, ground level retail occupancy by a Mexican eatery and smoothie shop, both with anticipated outdoor seating was approved by the Planning Board. In addition, Trubee Hill (gift shop) opened in Village Square. A boxing studio and pharmacy are also anticipated to open in 2023. The IDA has reviewed and received copies of all executed retail ground leases. According to RXR, all available retail space at the Village Square has been leased. Village Square reported 20 Full Time Equivalent jobs in 2022 with 10 jobs retained and 10 jobs created.

### ***The Regency***

In 2014, the City created a new corporation the Glen Cove Local Economic Assistance Corporation, (“GCLEAC”) to assist the National Healthplex, (d/b/a “The Regency at Glen Cove”) The ability to refinance their debt has allowed the Regency to: a) increase the assisted living unit count by three units from 96 to 99 units; b) create additional common space and other aesthetic and functional improvements within the building; c) improve the School Street façade and construct a new 22 memory care unit (making the total unit count 121). The improvements should significantly enhance the quality of life for the residents. This project began construction in May 2016 and will create 16 new full-time jobs as well as 11 construction phase jobs. The construction of the Alzheimer’s units was completed in late 2019 and produced 752 full time equivalent construction and construction related jobs. The Ribbon cutting for the newly named Safe Harbor took place on January 30, 2020. The Regency reported 69 Full Time Equivalents (FTE’s) jobs in 2022.

### ***Fairfield Glen Cove South Owner LLC (formerly Avalon South)***

The IDA Board approved the assignment and transfer of the Avalon South PILOT and related documents to Fairfield Glen Cove South Owner LLC in June 2021. IDA staff conducted an on-site visit of the Fairfield South property in October 2021 and a follow up visit was made in November 2022.

### ***Breton Hills***

In July 2021, the IDA closed on the Breton Hills property with Arcadia Landing LLC. The IDA Board approved sales tax exemptions for the project in April 2020. Breton Hills is comprised of 72 age-restricted residential units. In January 2022, the developer of Breton Hills, Arcadia Landing LCC applied for and was granted a sales tax extension until the end of 2022 by the IDA Board.

### ***135 Glen Cove Avenue Corp (The Villas)***

The IDA closed on the property known as The Villas with 135 Glen Cove Avenue Corp. in December 2021 and received administrative fees of \$421,238. The project will consist of 6 residential buildings of 176 units aggregating 353,394 sq. ft. of space. 16 of those residential units will be affordable. The IDA Board had approved sales and mortgage recording tax exemptions for the project, in addition to a 10-year PILOT, with an option for the PILOT to be extended to 12 years if the following conditions are met: (a) at least 30% of the employees engaged by the Company in the construction of the project are Glen Cove residents earning a prevailing wage; and (b) the Company has made a good faith effort to fill the anticipated 6 FTEs after completion of the project with Glen Cove residents. In January 2022, the IDA Board granted a consent to the developer to transfer a minority of ownership interest to MATT Glen Cove LLC. Subsequently, the developer returned to the IDA Board in July 2022 to request consent to transfer a minority of ownership interests in the project to MATT Glen Cove LCC and Glen Cove VM Holdings, LCC managed by Manoj Narang. The IDA paperwork related to the transfer to Glen Cove VM Holdings is in-progress. 135 Glen Cove Avenue Corp reported 3 construction jobs in 2022.

### ***Garvies Point Brewery***

In April 2020, the IDA Board approved the addition of the Garvies Point Brewery as part of the RXR Garvies Point project at the Waterfront, along with modifications to the original Marina Building #1. RXR sought to activate the east end of the project and public amenities with the addition of the Brewery, with indoor and outdoor dining space, which relocates an existing Waterfront business looking to expand operations to another location across the road. As of summer 2022, the Brewery was 99% complete and open for business. A small portion of Esplanade behind the Brewery patio was also completed.

The Brewery building will retain the office space and public restrooms that were envisioned for the original marina building. At this time, the IDA Board also appointed the Garvies Point Master Association, Inc. (HOA) to an initial five-year term to oversee and manage the maintenance of the Public Use Easement Areas and Public Improvements. This requires the HOA to enter into a Maintenance Agreement with the IDA. The Public Use Improvements Maintenance Agreement between the IDA and the HOA was executed 3/31/2022. In addition, the aforementioned item was memorialized in the Second Amendment to the Garvies Point Continuing Covenants Agreement dated 3/24/2022. Finally, the IDA and the HOA entered into an agreement on 4/15/22 under which the HOA managed the operations of the Garvies Point Public Marina comprised of 47 boat slips during the 2022 summer boating season at no cost to the IDA. The IDA plans to procure a Public Marina Operator in 2023.

### ***PUD Amendment***

In September 2020, the IDA Board granted an extension of the sales tax benefit at Garvies Point to RXR, consistent with a PUD Amendment RXR is seeking approval of from the Planning Board and an updated construction timetable. The IDA Board also consented to RXR's application to the Planning Board for the PUD Amendment and noted special considerations for the Planning Board in their review within the approving resolution. In August 2022, the Planning Board approved the PUD Amendment with conditions. Subsequently, RXR submitted an application to the IDA requesting PILOT for 72 additional units, consistent with the PUD Amendment approved by the Planning Board. As of late December 2022, RXR withdrew its IDA application and informed IDA staff that it would be pursuing an alternative plan for the remaining development.

### ***Georgica Green Ventures LLC***

In August 2020, the IDA granted sales and mortgage tax exemptions to the Georgica Green Ventures LLC affordable housing project at Garvies Point. This project will provide 55 units of affordable rental housing to the City at the Waterfront. In 2019, the IDA Board consented to the transfer of Block G (part of Garvies Point) from RXR to Georgica Green. The closing on the property occurred in 2021 following IDA Board approval of a PILOT extension. Construction of this 100% affordable rental housing consisting of 55 units will near completion Spring/Summer 2022. Lottery will be undertaken once construction is 75% complete. 40 units at 60% AMI; 6 units at 100% AMI and 8 units reserved for Section 8 Project Based. Georgica Green Ventures reported 51 construction jobs in 2022.

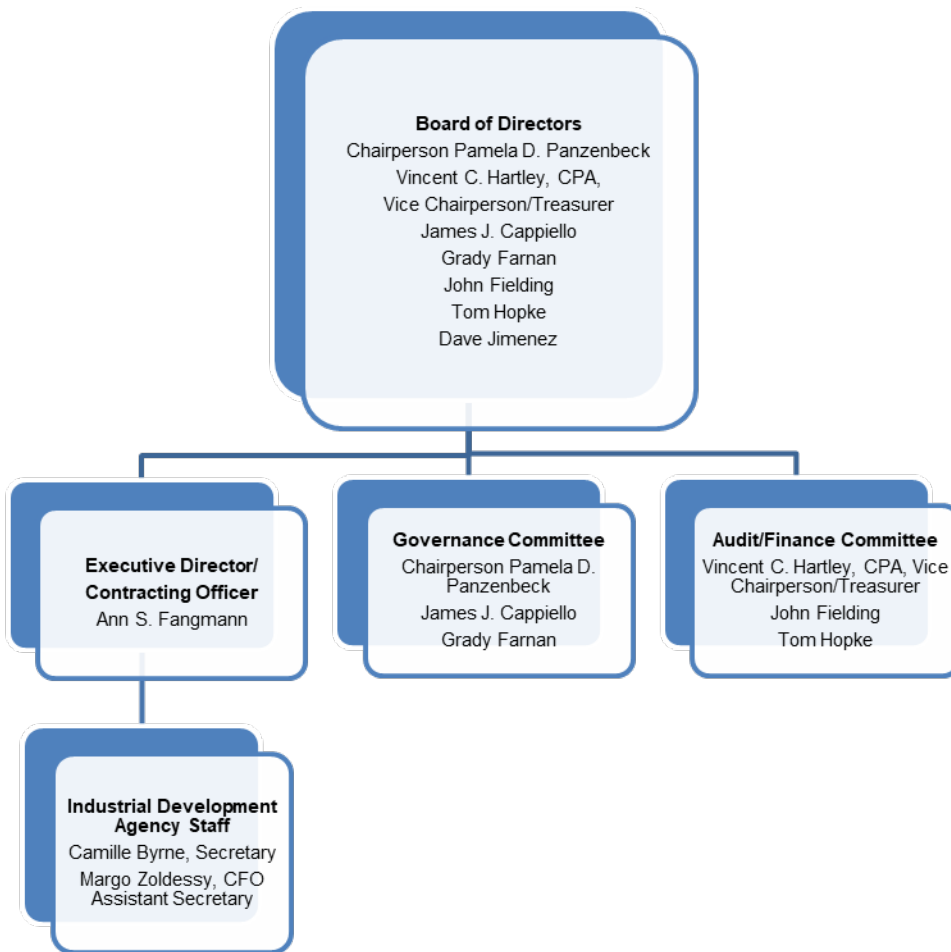

### **Request for Information**

This financial report is designed to provide a general overview of the Agency's finances for all those with an interest in the Agency's finances. Questions and comments concerning any information provided in this report or requests for additional information, contact the Industrial Development Agency, Chief Executive Officer at (516) 676-1625.

(1) Data not available prior to fiscal year 2015 implementation of Governmental Accounting Standards Board Statement No. 68, "Accounting and Financial Reporting for Pensions".

(2) The amounts presented for each fiscal year were determined as of the March 31 measurement date within the current fiscal year.

(3) Increase in the Agency's proportionate share of the net pension liability mainly attributable to decrease in plan fiduciary net position due to investment losses, and by a decrease in the discount rate from 7.0% to 6.8% effective with the March 31, 2020 measurement date.

(4) Decrease in the Agency's proportionate share of the net pension liability mainly attributable to increase in plan fiduciary net position due to investment gains.

See independent auditors' report.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements  
December 31, 2022

---

**Note 1 - Organization and Purpose**

The Glen Cove Industrial Development Agency (“Agency”) (“IDA”) was created by a special act of the New York State Legislature on May 17, 1974. Under the provisions of Chapter 374 of the 1974 Laws of New York State, the purpose of the Agency is to encourage economic growth in the City of Glen Cove (“City”). The Agency is exempt from federal, state and local income taxes. The Agency’s principal activity and source of revenue has been the issuance of Industrial and Civic Revenue Bonds and Straight Lease Agreements. The fees received from the issuance of the bonds and straight lease agreements have been expended for legal services, the development of the Glen Cove Waterfront, and infrastructure.

The City exercises oversight responsibility over the Agency. As such, the Agency is a component unit of the City. The following criteria regarding the manifestation of oversight were considered by the Agency in its evaluation of the Agency activities:

Financial interdependency - The Agency is responsible for its debts and is entitled to surpluses. The City is not responsible for the Agency’s debt or entitled to surplus. The Agency does not receive financial benefit nor does it impose financial burden on the City with the exception that the IDA is covered against personal injury, workers’ compensation and other risks under the City’s self-insurance program.

Appointment of Government Authority - the City, the primary government, appoints all members of the Agency’s governing body, the Board of Directors. The governing board is exclusively responsible for all decisions.

Appointment of management - The officers of the Agency are appointed by the Board of Directors. The activities under the purview of management are within the scope of the reporting entity and management is responsible to the Board of Directors.

The ability to significantly influence operations - The City can significantly influence the Agency’s operations. This authority includes, but is not limited to, adoption of program budgets, control over assets, including facilities and properties, short term borrowing, signing contracts, and developing new programs.

Accountability for fiscal matters - The responsibility and accountability over the Agency’s fund is vested in the Agency’s management and Board of Directors.

**Financial Reporting Entity**

The Agency has been identified as a component unit of the City. In accordance with the criteria enumerated in Governmental Accounting Standards Board (“GASB”) Statement No. 61, “*The Financial Reporting Entity: Omnibus – an amendment of GASB Statements No. 14 and No. 34*”, the Agency’s financial statements have been discretely presented in the City’s financial statements.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting**

The accounting policies of the Agency conform to generally accepted accounting principles as applicable to governmental units. GASB is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The Agency reports its operations on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

The Agency uses an enterprise fund (proprietary fund) to account for its activities. The measurement focus of the proprietary fund is the flow of economic resources. With this measurement focus, all assets and liabilities associated with the operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net position.

As a proprietary fund, the Agency uses the accrual basis of accounting, and economic resources measurement focus. Under this method, revenues are recognized when earned and expenses are recognized when incurred. The Agency's unbilled receivables are recognized as revenues at year-end.

The Agency distinguishes operating revenues and expenses from non-operating items. The Operating transactions are those other than capital and related financing activities, noncapital financing activities, investing activities and non-exchange revenues. Operating revenues and expenses generally result from providing services in connection with the Agency's principal ongoing operation. The principal operating revenues of the Agency are administrative fees charged by the Agency and reimbursement of operating expenses. Operating expenses include salaries and benefits, contractual expenses, depreciation and redevelopment costs. All revenues and expenses not meeting the definition are reported as non-operating revenues and expenses.

**Cash and Equivalents, Investments and Risk Disclosure**

**Cash and Equivalents** - Cash and equivalents consist of funds deposited in demand deposit accounts, time deposit accounts and short-term investments with original maturities of less than three months from the date of acquisition.

The Agency's deposit and investment policies are governed by State statutes. The Agency has adopted its own written investment policy which provides for the deposit of funds in FDIC insured commercial banks or trust companies located within the State. The Agency is authorized to use demand deposits, time deposit accounts and certificates of deposit.

Collateral is required for these deposits at 102% of all deposits not covered by Federal deposit insurance. The Agency has entered into a custodial agreement with its depository which holds its deposits. This agreement authorizes the obligations that may be pledged as collateral. Such obligations include among other instruments, obligations of the United States and its agencies and obligations of the State and its municipal and school district subdivisions.

**Investments** - Permissible investments include obligations of the U.S. Treasury, U.S. Agencies, repurchase agreements and obligations of New York State or its political subdivisions.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 2 - Summary of Significant Accounting Policies** (Continued)

The Agency follows the provisions of GASB Statement No. 72, “*Fair Value Measurement and Application*”, which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investments consist of certificate of deposit accounts with initial maturities of greater than three months.

**Risk Disclosure**

**Interest Rate Risk** - Interest rate risk is the risk that the entity will incur losses in fair value caused by changing interest rates. The Agency does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from changing interest rates. Generally, the Agency does not invest in any long-term investment obligations.

**Custodial Credit Risk** - Custodial credit risk is the risk that in the event of a bank failure, the Agency’s deposits may not be returned to it. GASB Statement No. 40, “*Deposit and Investment Risk Disclosures – an amendment of GASB Statement No. 3*”, directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution’s trust department but not in the Agency’s name. The Agency’s aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at December 31, 2022.

**Credit Risk** - Credit risk is the risk that an issuer or other counterparty will not fulfill its specific obligation even without the entity’s complete failure. The Agency does not have a formal credit risk policy other than restrictions to obligations allowable under General Municipal Law of the State of New York.

**Concentration of Credit Risk** - Concentration of credit risk is the risk attributed to the magnitude of an entity’s investments in a single issuer. The Agency’s investment policy limits the amount on deposit at each of its banking institutions.

**Accounts Receivable**

Accounts receivable balances are reflected net of an allowance for doubtful accounts. The allowance for doubtful accounts is the Agency’s best estimate of the probable losses in the existing accounts receivable balance. The Agency did not have any doubtful accounts at December 31, 2022.

**Due From/To Other Funds** - During the course of its operations, the Agency has numerous transactions between related organizations to finance operations, provide services and construct assets. To the extent

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 2 - Summary of Significant Accounting Policies** (Continued)

that certain transactions between funds had not been paid or received as of December 31, 2022, balances of interfund amounts receivable or payable have been recorded in the fund financial statements.

**Prepaid Expenses**

Prepaid items represent payments made by the Agency for which benefits extend beyond year end. These items reflect costs applicable to future accounting periods and are recorded as prepaid at the time of purchase and as an expense in the year the goods or services are consumed.

**Land held for Sale/Resale**

The Agency may acquire properties to redevelop and resell. The property values will be carried at the lower of cost or estimated realizable value. Properties are periodically reviewed or appraised for impairment and the carrying values are adjusted as necessary.

**Capital Assets**

As a proprietary fund, the capital assets and long-term liabilities of the Agency are accounted for on a cost of services or "capital maintenance" measurement focus. This means that all assets and all liabilities (whether current or noncurrent) associated with its activities are included in net position. As a proprietary fund, the operating statements of the Agency present increases (revenues) and decreases (expenses) in net position.

Capital assets acquired by the Agency are stated at cost (or estimated historical cost) including interest capitalized during construction, where applicable. Donated capital assets are recorded at acquisition value at the date of donation. Acquisition value is the price that would be paid to acquire an asset with equivalent service potential on the date of donation. There are no reversionary interests by the grantor in any of the assets, the date of donation in the case of gifts. The Agency capitalizes assets whose cost exceeds \$500.

Depreciation of all exhaustible fixed assets used by the Agency is charged as an expense against its operations. Accumulated depreciation is reported in net position. Depreciation is provided over the estimated useful lives of the assets.

Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Estimated useful lives range from 3-5 years for equipment.

The Agency's measurement focus on income determination and capital maintenance requires the net amount of interest cost for qualifying assets to be capitalized during the period of construction. The Agency has capitalized the interest expenses related to amounts owed for the Waterfront Development Project. These were considered in connection with the evaluation of the impairment of the property.

**Deferred Outflows/Inflows of Resources**

In addition to assets, the statement of financial position includes a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense) until then.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 2 - Summary of Significant Accounting Policies** (Continued)

In addition to liabilities, the statement of financial position includes a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net assets that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

The Agency reported deferred inflows of resources of \$8,000 which represents deferred revenues for unavailable administrative fees.

The Agency has also reported deferred outflows of resources and deferred inflows of resources in relation to its pension and other postemployment benefit liabilities in the statement of net position. These amounts are detailed in the discussion of the Agency's pension and other postemployment benefit liabilities in Note 5.

**Long-Term Liabilities**

In the statement of net position, long-term debt and other long-term obligations are reported as liabilities.

**Net Pension Liability (Asset)**

The net pension liability represents the Agency's proportionate share of the net pension liability of the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System. The financial reporting of these amounts are presented in accordance with the provisions of GASB Statement No. 68, "*Accounting and Financial Reporting for Pensions*" and GASB Statement No. 71, "*Pension Transition for Contributions Made Subsequent to the Measurement Date – An Amendment of GASB Statement No. 68.*"

**Other Postemployment Benefit Liability ("OPEB")**

In addition to providing pension benefits, the Agency provides health care benefits for certain retired employees and their survivors. The financial reporting of these amounts are presented in accordance with the provisions of GASB Statement No. 75, "*Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*".

**Compensated Absences**

The various collective bargaining agreements provide for the payment of accumulated vacation and sick leave upon separation from service. The liability for such accumulated leave is reflected in the Statement of Net Position as current and long-term liabilities. The liability for compensated absences includes salary related payments, where applicable.

**Net Position**

Net position represents the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position is comprised of three components: net investment in capital assets, restricted, and unrestricted.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 2 - Summary of Significant Accounting Policies** (Continued)

*Net investment in capital* assets consists of capital assets, net of accumulated depreciation/amortization and reduced by outstanding balances of bonds and other debt that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt are also included in this component of net position.

*Restricted* net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Assets are reported as restricted when constraints are placed on asset use either through the enabling legislation adopted by the Agency or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

*Unrestricted* net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that does not meet the definition of the two preceding categories.

**Application of Restricted and Unrestricted Resources**

In order to calculate the amounts to report as restricted and unrestricted fund balance, a flow assumption must be made about the order in which the resources are considered to be applied. When both restricted and unrestricted amounts of fund balance are available for use for expense incurred, it is the Agency's policy to use restricted amounts first and then unrestricted amounts as they are needed. For unrestricted amounts of fund balance, it is the Agency's policy to use fund balance in the following order: committed, assigned and unassigned.

**Use of Estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent Events Evaluation by Management**

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is April 28, 2023.

**New Accounting Pronouncement**

GASB Statement No. 87, "*Leases*", established a single model for lease accounting based on the concept that leases are a financing of a "right-to-use" underlying asset. This statement requires a lessee to recognize a lease liability and an intangible right-to-use lease asset and a lessor to recognize a lease receivable and a deferred inflow of resources. The requirements of GASB Statement No. 87 are effective for the Agency's fiscal year ended December 31, 2022. The Agency has completed its evaluation of the financial impact of GASB Statement No. 87 and determined that the implementation of this standard was not required as it did not have a material impact on its financial statements.

(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 3 - Land Held for Sale / Resale**

The IDA owns a parking lot and an area located between the RXR Village Square and the post office which is maintained by the City. The carrying value of this asset is \$31,650 as of December 31, 2022.

On November 22, 2016, the IDA sold the Waterfront Properties to RXR Glen Isle Partners, LLC for the Purchase price of \$15M less advances of \$2,401,048 and a receivable of \$2.36M, for net cash received of \$10,238,952. These funds were used to repay the debt owed by the IDA and the Glen Cove Community Development Agency (“CDA”), to the Housing and Urban Development (“HUD”), Environmental Protection Agency (“EPA”), Nassau County and the City. The IDA also entered into a Master Tax Agreement, PILOT, with the Redeveloper and received an administrative fee of \$10M.

On November 22, 2016, the IDA and the Glen Cove Local Economic Assistance Corporation (“Corporation”) entered into a Loan Agreement, whereby the IDA borrowed \$124,562,833 from the Corporation. These funds were raised from a Public Bond Offering of the Corporation, and are being used by the IDA to fund its infrastructure and public amenities obligations, related to the Garvies Point Project. The repayment of the bonds is from the PILOT payments on the property, by the property owners. These Bonds are non-recourse to the City and its Agencies, and are treated as conduit debt by the IDA. After closing, in November 2016, the amount of \$122,515,088, (\$124,562,833 less OID of \$2,047,745) was deposited into Bank of NY Mellon.

During the year ended December 31, 2022, the Trustee made interest payments in aggregate of \$1,467,734. The outstanding balance of the conduit debt obligations totaled \$159,995,576 at December 31, 2022.

**Note 4 - Capital Assets**

Changes in the Agency’s capital assets are as follows:

|                                   | Balance<br>January 1,<br>2022 | Additions                   | Balance<br>December 31,<br>2022 |

| Net pension liability                             | 468                           | -                        | 468                              | -                               | -                      |
| Capital lease payable                             | 1,495                         | -                        | 1,104                            | 391                             | 391                    |
| Other post employment benefit obligations payable | 1,061,039                     | 128,597                  | 297,305                          | 892,331                         | -                      |
| Long-Term Liabilities                             | <u>\$ 1,082,836</u>           | <u>\$ 132,109</u>        | <u>\$ 300,860</u>                | <u>\$ 914,085</u>               | <u>\$ 2,391</u>        |

**Compensated Absences**

Accumulated unpaid vacation, sick pay, and other employee benefit amounts are accrued when incurred. At December 31, 2022, the Agency had a compensated absences liability for accumulated unpaid vacation and sick pay of \$21,363.

**Pension Plans**

*Employee’s Retirement System*

The Agency participates in the New York State and Local Employees’ Retirement System (“ERS”) (“System”). This is a cost-sharing, multiple-employer defined benefit pension plan. ERS provides retirement benefits as well as death and disability benefits. The net position of the ERS is held in the New York State Common Retirement Fund (“Fund”), which was established to hold all net assets and record changes in plan net position. The Comptroller of the State of New York serves as the trustee of the Fund and is the administrative head of the ERS. The Comptroller is an elected official determined in a direct statewide election and serves a four year term. Obligations of employers and employees to contribute and benefits to employees are governed by the New York State Retirement and Social Security Law (“NYSRSSL”). Once a public employer elects to participate in the ERS, the election is irrevocable. The New York State Constitution provides that pension membership is a contractual relationship and plan benefits cannot be diminished or impaired. Benefits can be changed for future members only by enactment of a State statute. The Agency also participates in the Public Employees’ Group Life Insurance Plan, which provides death benefits in the form of life insurance. The ERS is included in the State’s financial report as a pension trust fund. That report, including information with regard to benefits provided may be found at [www.osc.state.ny.us/retire/publications/index.php](http://www.osc.state.ny.us/retire/publications/index.php) or obtained by writing to the New York State and Local Retirement System, 110 State Street, Albany, NY 12244.

The System is noncontributory except for employees who joined after July 27, 1976, who contribute 3% of their salary for the first ten years of membership, and employees who joined on or after January 1, 2010, who generally contribute between 3% and 6% of their salary for their entire length of service.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 5 - Long-Term Liabilities** (Continued)

Under the authority of the NYSRSSL, the Comptroller annually certifies the actuarially determined rates expressly used in computing the employers' contributions based on salaries paid during the System's fiscal year ending March 31. The employer contribution rates for the plan's year ending in 2022 are as follows:

| <u>Tier/Plan</u> | <u>Rate</u> |
|------------------|-------------|
| 4 A15            | 18.0 %      |
| 6 A15            | 10.5        |

At December 31, 2022, the Agency reported the following for its proportionate share of the net pension liability for ERS:

| Measurement date                                      | March 31, 2022 |
|---|----------------|
| Net pension asset                                     | \$ 33,483      |
| Agency's proportion of the net pension asset          | 0.0004096 %    |
| Change in proportion since the prior measurement date | (0.0000606) %  |

The net pension liability was measured as of March 31, 2022 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Agency's proportion of the net pension liability was based on a computation of the actuarially determined indexed present value of future compensation by employer relative to the total of all participating members.

For the year ended December 31, 2022, the Agency recognized its proportionate pension expense of (\$3,641).

At December 31, 2022, the Agency reported its proportionate share of deferred outflows of resources and deferred inflows of resources related to ERS from the following sources:

|   | <u>Deferred Outflows of Resources</u> | <u>Deferred Inflows of Resources</u> |
|---|---------------------------------------|--------------------------------------|
| Differences between expected and actual experience  | \$ 2,536                              | \$ 3,289                             |

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 5 - Long-Term Liabilities** (Continued)

\$8,789 reported as deferred outflows of resources related to ERS resulting from the Agency’s accrued contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended March 31, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to ERS will be recognized in pension expense as follows:

| Year Ended<br>March 31, |                    |
|-------------------------|--------------------|
| 2023                    | \$ (9,434)         |
| 2024                    | (14,984)           |
| 2025                    | (30,369)           |
| 2026                    | (7,689)            |
| 2027                    | -                  |
| Thereafter              | -                  |
|                         | <u>\$ (62,476)</u> |

The total pension liability for the March 31, 2022 measurement date was determined by using an actuarial valuation as noted below, with update procedures used to roll forward the total pension liabilities to that measurement date. Significant actuarial assumptions used in the valuation were as follows:

|                            |                |
|----------------------------|----------------|
| Measurement date           | March 31, 2022 |
| Actuarial valuation date   | April 1, 2021  |
| Investment rate of return  | 5.9%           |
| Salary scale               | 4.4%           |
| Inflation rate             | 2.7%           |
| Cost of living adjustments | 1.4%           |

\*Compounded annually, net of pension plan investment expenses, including inflation.

Annuitant mortality rates are based on the System experience with adjustments for mortality improvements based on the Society of Actuaries’ Scale MP-2020.

The actuarial assumptions used in the valuation are based on the results of an actuarial experience study for the period April 1, 2015 - March 31, 2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected return, net of investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

**Note 5 - Long-Term Liabilities** (Continued)

Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation is summarized in the following table.

| Asset Type                  | Target Allocation | Long-Term Expected Real Rate of Return |
|-----------------------------|-------------------|--|
| Domestic Equity             | 32 %              | 3.30 %                                 |
| International Equity        | 15                | 5.85                                   |
| Private Equity              | 10                | 6.50                                   |
| Real Estate                 | 9                 | 5.00                                   |
| Opportunistic/ARS Portfolio | 3                 | 4.10                                   |
| Credit                      | 4                 | 3.78                                   |
| Real Assets                 | 3                 | 5.80                                   |
| Fixed Income                | 23                | -                                      |
| Cash                        | 1                 | (1.00)                                 |
|                             | <u>100 %</u>      |  |

The real rate of return is net of the long-term inflation assumption of 2.7%.

The discount rate used to calculate the total pension liability was 5.9%. The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from employers will be made at statutorily required rates, actuarially determined. Based upon those assumptions, the ERS's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The following presents the Agency's proportionate share of the net pension liability calculated using the discount rate of 5.9%, as well as what the Agency's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1 percentage point lower (4.9%) or 1 percentage point higher (6.9%) than the current rate:

|   | 1% Decrease<br>(4.9%) | Current Discount Rate<br>(5.9%) | 1% Increase<br>(6.9%) |
|---|-----------------------|---------------------------------|-----------------------|
| Agency's proportionate share of the net pension liability (asset) | <u>\$ 86,184</u>      | <u>\$ (33,483)</u>              | <u>\$ (133,578)</u>   |

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 5 - Long-Term Liabilities** (Continued)

The components of the collective net pension liability of ERS as of the March 31, 2022 measurement date were as follows:

|  | <u>ERS</u>                       |
|--|----------------------------------|
| Total pension liability  | \$ 223,874,888,000               |
| Fiduciary net position   | <u>232,049,473,000</u>           |
| Employers' net pension liability                                     | <u><u>\$ (8,174,585,000)</u></u> |
| Fiduciary net position as a<br>percentage of total pension liability | <u><u>103.65%</u></u>            |

Employer contributions to ERS are paid annually and cover the period through the end of the ERS's fiscal year, which is March 31<sup>st</sup>. Retirement contributions as of December 31, 2022 represent the projected employer contribution for the period of April 1, 2022 through December 31, 2022 based on prior year ERS wages multiplied by the employers' contribution rate, by tier. Retirement contributions to ERS for the nine months ended December 31, 2022 were \$8,789.

*Voluntary Defined Contribution Plan*

The Agency can offer a defined contribution plan to all non-union employees hired on or after July 1, 2013 and earning at the annual full-time salary rate of \$75,000 or more. The employee contribution is between 3% and 6% depending on salary and the Agency will contribute 8%. Employer contributions vest after 366 days of service. No current employees participated in this program.

**Capital Lease Payable**

The Agency has entered into various agreements to lease certain equipment originally recorded at \$4,694. The terms of the agreements provide options to purchase the equipment at any time during the lease period. Maturities on these leases range through 2023. The leases meet the criteria of capital leases as defined by GASB guidance. The balance due at December 31, 2022 was \$391.

**Other Postemployment Benefit Liability ("OPEB")**

In addition to providing pension benefits, the Agency provides certain health care benefits for retired employees through a single employer defined benefit OPEB plan. The various collective bargaining agreements stipulate the employees covered and the percentage of contribution. Contributions by the Agency may vary according to length of service. The cost of providing postemployment health care benefits is shared between the Agency and the retired employee as noted below. Substantially all of the Agency's employees may become eligible for those benefits if they reach normal retirement age while working for the Agency. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other than Pensions", so the net OPEB liability is equal to the total OPEB liability. Separate financial statements are not issued for the plan.

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 5 - Long-Term Liabilities** (Continued)

At December 31, 2022, the following employees were covered by the benefit terms:

|                   |                  |
|-------------------|------------------|
| Active employees  | 7                |
| Retired Employees | <u>7</u>         |
|                   | <u><u>14</u></u> |

The Agency's total OPEB liability of \$892,331 was measured as of December 31, 2022, and was determined by an actuarial valuation as of December 31, 2022.

The total OPEB liability in the December 31, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

|  |   |
|--|---|
| Inflation                                | 3.30%   |
| Salary increases                         | 3.30%   |
| Discount rate                            | 4.31%   |
| Healthcare cost trend rates              | 5.5% for 2022, decreasing by up to .5% per year to an ultimate rate of 4.5% |
| Retirees' share of benefit-related costs | Varies depending on applicable retirement year and bargaining unit          |

The discount rate was based on the 20-year Municipal Bond Rate.

Mortality rates were based on June 2013 Society of Actuaries Study entitled "Health Care Costs – From Birth to Death".

The actuarial assumptions used in the December 31, 2022 valuation for turnover and retirement for ERS was based on the April 1, 2015 to March 31, 2020 experience study released by the Retirement Systems Actuary and published in their August 2020 report.

The Agency's change in the total OPEB liability for the year ended December 31, 2022 is as follows:

|  | <u>Governmental<br/>Activities</u> |
|--|------------------------------------|
| Total OPEB Liability - Beginning of Year           | \$ 1,061,039                       |
| Service cost                                       | 66,855                             |
| Interest   | 24,921                             |
| Changes of benefit terms                           | -                                  |
| Differences between expected and actual experience | 36,821                             |
| Changes in assumptions or other inputs             | (263,585)                          |
| Benefit payments                                   | <u>(33,720)</u>                    |
| Total OPEB Liability - End of Year                 | <u><u>\$ 892,331</u></u>           |

**Glen Cove Industrial Development Agency**  
(A Component Unit of the City of Glen Cove, New York)

Notes to Financial Statements (Continued)  
December 31, 2022

**Note 5 - Long-Term Liabilities** (Continued)

The following presents the total OPEB liability of the Agency, as well as what the Agency's total OPEB liability would be if it were calculated using a discount rate that is 1 percentage point lower (3.31%) or 1 percentage point higher (5.31%) than the current discount rate:

|                      | 1%<br>Decrease<br>(3.31%) | Current<br>Discount Rate<br>(4.31%) | 1%<br>Increase<br>(5.31%) |
|----------------------|---------------------------|-------------------------------------|---------------------------|
| Total OPEB Liability | \$ 1,030,459              | \$ 892,331                          | \$ 781,384                |

The following presents the total OPEB liability of the Agency, as well as what the Agency's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1 percentage point lower (4.5% decreasing to 3.5%) or 1 percentage point higher (6.5% decreasing to 5.5%) than the current healthcare cost trend rates:

|                      | 1%<br>Decrease<br>(4.5% decreasing<br>to 3.5%) | Current<br>Healthcare<br>Cost Trend<br>Rates<br>(5.5% decreasing<br>to 4.5%) | 1%<br>Increase<br>(6.5% decreasing<br>to 5.5%) |
|----------------------|--|--|--|
| Total OPEB Liability | \$ 750,883                                     | \$ 892,331   | \$ 1,075,326                                   |

For the year ended December 31, 2022, the Agency recognized OPEB expense of \$71,698. At December 31, 2022, the Agency reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

|  | Deferred<br>Outflows<br>of Resources | Deferred<br>Inflows<br>of Resources |
|--|--------------------------------------|-------------------------------------|
| Changes of assumptions or other inputs             | \$ 137,471                           | \$ 317,740                          |
| Differences between expected and actual experience | 54,742                               | 34,700                              |
|  | <u>\$ 192,213</u>                    | <u>\$ 352,440</u>                   |

Notes to Financial Statements (Continued)  
December 31, 2022

---

**Note 5 - Long-Term Liabilities** (Continued)

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

| <u>Year Ended</u><br><u>December 31,</u> |                     |
|--|---------------------|
| 2023                                     | \$ (19,364)         |
| 2024                                     | (19,364)            |
| 2025                                     | (25,146)            |
| 2026                                     | (18,931)            |
| 2027                                     | (18,931)            |
| Thereafter                               | <u>(58,491)</u>     |
|  | <u>\$ (160,227)</u> |

**Note 6 - Related Parties**

During 2004, the City, CDA and IDA entered a Tri-party Municipal Cooperation Agreement, regarding sharing of resources between the City and the Agencies.

As of December 31, 2022, \$942,789 was due to the CDA for the Waterfront Development expenses financed by the CDA's Community Development Block Grant and other grants.

**Administrative Fee**

The operations of the Glen Cove Local Economic Assistance Corporation are administered by the Agency. A fee amounting to \$2,000 was paid by the Agency for the services provided in 2022.

**Note 7 - Commitments and Contingencies**

**Litigation**

In the normal course of business there are a number of actions against the Agency that involve personal injury and/or contractual disputes between the plaintiff's and the project beneficiary. In each case, the Agency has been indemnified by the project beneficiary and, in the opinion of the Agency's management, the project beneficiary has insurance in place to mitigate any losses that may ultimately result from the resolution of such litigation. While the Agency has been named in many of these actions, in the opinion of management based on consultation with legal counsel, the ultimate resolution of such litigation matters should not result in any liability to the Agency.

Notes to Financial Statements (Concluded)  
December 31, 2022

---

**Note 8 - Recently Issued GASB Pronouncements**

GASB Statement No. 96, “*Subscription-Based Information Technology Arrangements*” provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (“SBITAs”) for government end users. This Statement defines a SBITA and establishes that a SBITA results in a right-to-use subscription asset (intangible asset) and a corresponding liability. The Statement also provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA, as well as detailing the requirements for note disclosures regarding a SBITA. The requirements of this Statement are effective for reporting periods beginning after June 15, 2022.

This is not an all-inclusive list of recently issued GASB pronouncements but rather a listing of Statements that the Agency believes will most impact its financial statements. The Agency will evaluate the impact this and other pronouncements may have on its financial statements and will implement them as applicable and when material.

Other Supplementary Information

December 31, 2022

## OTHER SUPPLEMENTARY INFORMATION

The following are not required supplementary information (RSI), under the accounting principles generally accepted in the United States of America and are provided for the purpose of additional analysis.

This other supplementary information is provided to meet the General Municipal Law 859, the disclosures regarding the Agency's Straight-lease and industrial and civic facilities revenue bonds and notes projects.

**GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY  
OTHER SUPPLEMENTARY INFORMATION**

Certain industrial development revenue bonds issued by the Agency are secured by property, which is leased to companies and is retired by lease payments. The bonds are not obligations of the Agency, City or State. The Agency does not record the assets or liabilities resulting from completed bond and note issues in its accounts. Its primary function is to arrange financing between the borrowing companies and the bond and note holders. Trustees or banks acting as fiscal agents control funds arising from these transactions.

The Agency receives bond administration fees from the borrowing companies for providing this service. Such administrative fee income is recognized immediately upon the issuance of the bonds and notes.

**National Healthplex (Glen Cove Regency) - Bonds**

The 1992 Series A Bonds, Series B Bonds and the Series B Note, were defeased when the Regency reorganized its debt on April 19, 2016. The Glen Cove Local Economic Assistance Corporation issued \$24M of Tax Exempt Bonds and The Regency also received a \$15.5M loan from Municipal Capital Appreciation Partners III (VA), L.P. for a new Alzheimer unit.

On December 15, 2013, the IDA entered into a PILOT agreement with the Regency (Project code 2801-13-02). The term is for 40 years beginning in 2014 and expires December 31, 2049. The IDA received an admin fee of \$118,750. The total projects costs are \$15,500,000 for a new Alzheimer unit which was to be completed in May 2019. In 2016, the Regency paid an additional admin fee \$150,000 for an extension of the PILOT to run concurrently with the bond issuance. The Regency paid a total PILOT of \$459,302 in 2022 and reported 69 FTEs. The corporate address for the National Healthplex is 94 School Street, Glen Cove, NY 11542.

The following chart depicts the PILOT payments and tax exemptions for 2022:

| PAYMENTS MADE BY THE GC REGENCY |                   |                   |
|---------------------------------|-------------------|-------------------|
|                                 | <u>PILOT</u>      | <u>Exemptions</u> |
| County                          | \$ 58,204         | \$ 68,850         |
| Local                           | 116,606           | 137,935           |
| School                          | <u>284,492</u>    | <u>336,530</u>    |
| Total                           | <u>\$ 459,302</u> | <u>\$ 543,315</u> |

**STRAIGHT LEASE AGREEMENTS**

**Avalon Bay Communities, Inc.**

In November 2001, the IDA and Avalon Bay Communities, Inc. (the “Company”) entered a straight lease agreement (Code Number 2801- 01-01). Through the lease agreement, the Agency takes title to the property and the machinery and equipment and provides property and sales tax relief to the Company. Under the lease contract, the Company agreed to acquire an approximately 3.5 acre site located at Pratt Boulevard, in the City to construct an approximately 333,000 square foot luxury rental building together with 188,000 square foot enclosed parking facility. The IDA agreed to buy the building from the Company and lease it back to the Company. Thus, the Company was exempt from sales and use taxes, real property transfer taxes, and real estate taxes. The Company agreed to make payments in lieu of taxes.

The cost of the planning, development, acquisition, construction, and installation of the project facilities is estimated to be about \$50,170,000. The Company paid an administrative fee of \$303,000 to the IDA.

As a part of the agreement, the Company, purchased from the City a property located at Glen Street, Phase II, for \$1,100,000 and paid an option premium of \$900,000. The Company has exercised the option. Nonpayment of fees constitutes default under the agreement.

In June 2003, Avalon Bay Communities, Inc. exercised its option and purchased the Glen Street Parcel for \$2,000,000, (2801-06-1). Avalon Bay had already paid \$900,000 and agreed to pay the balance by December 31, 2003. It was further agreed that:

1. The construction plan had to be completed by March 30, 2004; construction had to commence by October 1, 2004 and be completed by June 30, 2006.
2. All building permits and other fees had to be paid by the later of June 1, 2004 or ten days after the invoices are submitted.
3. Payment in lieu of taxes began on January 1, 2006.
4. In lieu of \$50,000 payment required by the Preliminary Agreement, Avalon Bay shall pay the IDA, \$107,224. The Agency will use these funds in cooperation with the City to upgrade Pratt Boulevard Municipal Parking lot.

**Fairfield Glen Cove South Owner LLC**

In 2022, the payments made by Fairfield and the amount of tax exemptions were as follows:

| PAYMENTS MADE BY Fairfield Glen Cove South |                     |                     |

| Total                          | <u>\$110,673</u> | <u>\$166,794</u>  |

## RXR Garvies

The IDA closed on the Waterfront Revitalization Project in November 2016 for \$15M less debt payments paid by RXR on the IDA's behalf of \$2.4M for a net sales price of \$12.6M. These funds went to the repayment of loans for the waterfront. The IDA entered into a PILOT agreement with RXR and received an administrative fee of \$10M. The PILOT began in 2017 and will benefit the City, its citizens and Nassau County by reclaiming blighted industrial waterfront property for public benefit and enjoyment through creating open space, luxury and workforce housing and retail/office space. RXR's ("redeveloper") Garvies Point waterfront destination will bring 460 new jobs during the construction phase of 5-6 years, and 545 jobs post-completion. There will also be new tax revenues and new money infused into the Glen Cove economy.

RXR, their entities and the Beacon Condominium Owners was invoiced and paid \$4,632,014 for their 2022 PILOT and Bond Expense for the Garvies Point Project. Project Code (2801- 01A-2016). In 2022 RXR paid \$1,328,736 for school and library; \$983,855 to the City and \$33,857 to the County. Priority payments of \$2,346,448 were paid to the authorized tax jurisdictions. In 2022 \$70,278 was also paid to MuniCap, the administrator for the bonds, and Bank of New York Mellon, the Bond Trustee, for fees. The remainder of the funds was deposited into a Stabilization fund. These funds will be invested until January 1, 2025. At this time these funds will be used for turbo redemption of the bonds. RXR reported 131 construction jobs with a total of 81 FTE's reported. RXR reported \$18,519 in sales tax exemptions. RXR's corporate address is 625 RXR Plaza, Uniondale, NY 11556 for both projects. The following are the real property tax payments and tax exemptions:

| PAYMENTS MADE BY RXR GARVIES |                     |                     |
|------------------------------|---------------------|---------------------|

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in Accordance With  
Government Auditing Standards**

**Independent Auditors' Report**

**The Board of Directors of the  
Glen Cove Industrial Development Agency**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Glen Cove Industrial Development Agency ("Agency") which comprise the statement of net position as of December 31, 2022 and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 28, 2023.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
