Ms. Margo Zoldessy
Chief Financial Officer
Glen Cove Industrial Development Agency
9 Glen Street, City Hall
Glen Cove, New York 11542

Dear Ms. Zoldessy:

This letter sets forth our understanding of the terms and objectives of our engagement, and the nature and scope of the services we will provide to the City of Glen Cove Glen Cove Industrial Development Agency, New York (the "Agency").

Prior to the commencement of our audit(s) we may not know if an audit performed in accordance with the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* ("Uniform Guidance") is required. Consequently, this letter includes the words "if applicable" next to relevant single audit communication requirements.

Audit Scope and Objectives

We will audit the Agency's statements of net position and the related Statement of Revenues, Expenses and Change in Net Position, including the disclosures, which collectively comprise the basic financial statements of the Agency as of and or the years ended December 31, 2025 and 2026 and issue our report thereon as soon as reasonably possible after completion of our work. We will also provide an opinion on the Agency's compliance with its investment policy during each fiscal year, as required by the Public Authority Law.

Accounting standards generally accepted in the United States of America provide for certain required supplementary information ("RSI"), such as management's discussion and analysis ("MD&A"), to supplement the Agency's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Agency's RSI in accordance with auditing standards generally accepted in the United States of America, ("US GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by US GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis

- Schedule of Funding Progress – Other Post-Employment Benefits
- Schedules of Contributions and Proportionate Share of the Net Pension Liability

We have also been engaged to report on supplementary information other than the RSI that accompanies the Agency's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS, *Government Auditing Standards* issued by the Comptroller General of the United States ("GAGAS") (if applicable), and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") (if applicable), and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

- Schedule of Indebtedness – Bond and Notes
- Schedule of Indebtedness – Straight-Lease Transactions
- Schedule of Payments in Lieu of Taxes
- Schedule of Expenditures of Federal Awards (if applicable)

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud, error, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Agency or to acts by management or employees acting on behalf of the Agency; and issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Because the determination of abuse is subjective, GAGAS do not expect auditors to provide reasonable assurance of detecting abuse. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, GAGAS (if applicable), and Uniform Guidance (if applicable) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct the audit in accordance with US GAAS, GAGAS (if applicable), and Uniform Guidance (if applicable), and will include tests of accounting records, a determination of major programs in accordance with Uniform Guidance (if applicable), and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with US GAAS, GAGAS (if applicable), and Uniform Guidance, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors; (2) fraudulent financial reporting; (3) misappropriation of assets; or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may exist and not be detected by us even though the audit is properly planned and performed in accordance with US GAAS, GAGAS (if applicable), and Uniform Guidance (if applicable). In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements and on those programs we have determined to be major programs (if applicable). However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting or misappropriation of assets and any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit (if applicable). We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

The objectives for our audit also includes reporting on:

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with GAGAS (if applicable).
- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with Uniform Guidance, Audits of States, Local Governments and Non-Profit Organizations (if applicable). the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) (if applicable).

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Agency's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to GAGAS (if applicable).

Uniform Guidance (if applicable) requires that we also plan and perform the audit to obtain reasonable assurance about whether the Agency has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the "Uniform Guidance Compliance Supplement" for the types of compliance requirements that could have a direct and material effect on each of the Agency's major programs. The purpose of these procedures will be to express an opinion on the Agency's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to Uniform Guidance. As required by Uniform Guidance, we will also perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to prevent or detect material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Uniform Guidance (if applicable).

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also include, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of

receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement when required based on our professional judgement.

After our planning is complete, we will communicate to management and those charged with governance, the significant risk(s) of material misstatement identified in our audit planning.

Audit Procedures – Internal Control

We will obtain an understanding of the Agency and its environment, including the system of internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements and the supplementary information, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to prevent and detect misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to GAGAS. An audit is also not designed to identify significant deficiencies or material weaknesses. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Agency's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Agency's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on Agency's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance (if applicable).

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance (if applicable).

Reporting

We will issue a written report(s) upon completion of our audit of the Agency's financial statements and written reports required with audits performed in accordance with GAGAS and the Uniform Guidance (if applicable). Our reports will be addressed to management and those charged with governance of the Agency. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

We will also provide a report (which does not include an opinion) on internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements as required by GAGAS (if applicable).

The reports on internal control and compliance (if applicable) will each include a paragraph that states that the purpose of the report is solely to describe (1) the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance; (2) the scope of testing internal control over compliance for major programs and major program compliance and the result of that testing and to provide an opinion on compliance but not to provide an opinion on the effectiveness of internal control over compliance; and (3) that the report is an integral part of an audit performed in accordance with GAGAS in considering internal control over financial reporting and compliance and Uniform Guidance in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form (if applicable) that summarize our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form (if applicable) and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

We will also communicate with those charged with governance any (a) fraud involving senior management and other fraud that causes a material misstatement of the financial statements; (b) violations of laws or governmental regulations that come to our attention (unless they are clearly inconsequential); (c) disagreements with management and other serious difficulties encountered in performing the audit; and (d) various matters related to the Agency's accounting policies and financial statements.

Other Services

PKF O'Connor Davies will also prepare the financial statements of Agency in conformity with accounting principles generally accepted in the United States of America based on information provided by you.

PKF O'Connor Davies will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. PKF O'Connor Davies, using professional judgment, reserves the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements and Supplementary Information

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, RSI, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards (if applicable), all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements and supplementary information to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

Management's responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the RSI and supplementary information in accordance with US GAAP; (2) you believe the RSI and supplementary information, including its form and content, is fairly presented in accordance with US GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the RSI and supplementary information.

Management is responsible for management decisions and assuming all management responsibilities; for designating an individual with suitable skill, knowledge, and/or experience to oversee other non-attest services PKF O'Connor Davies provides; and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements, and for preparation of the schedule of expenditures of federal awards in accordance with the requirements of Uniform Guidance (if applicable). As part of the audit, we will assist with preparation of your financial statements, schedule of expenditures of federal awards (if applicable), and related notes. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. You are responsible for making all management decisions and assuming all management responsibilities relating to the financial statements, schedule of expenditures of federal awards and related notes, and for accepting full responsibility for such decisions.

Management is also responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the Agency involving (1) management; (2) employees who have significant roles in internal control; and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Agency received in communications from employees, former employees, grantors, regulators or others. In addition, you are responsible for identifying and ensuring that the Agency complies with applicable laws, regulations, contracts, agreements and grants and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report. Additionally, as required by Uniform Guidance (if applicable), it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review.

In order to help ensure that appropriate goals and objectives are met and that there is reasonable assurance that government programs are administered in compliance with compliance requirements, management is responsible for establishing and maintaining effective internal control, including internal control over compliance, and for evaluating and monitoring ongoing activities.

Management's responsibilities also include identifying any significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the audit objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation

engagements, performance audits, or other engagements or studies. The Agency is also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

It is expected that some of the audit will be conducted remotely. Management is responsible for ensuring that all electronically provided documents and records are complete and accurate reproductions of the original documents and records. For any part of the engagement performed on premises, management is responsible for ensuring that all applicable safeguards are in place in accordance with Centers for Disease Control guidance and any state and local regulations and guidelines. PKF O'Connor Davies holds the right to not perform work onsite if we consider the onsite conditions unsafe for any reason. Management, in coordination with PKF O'Connor Davies, is responsible to arrange for alternative methods for audit procedures that must be performed on the Agency's or a third-party's premises.

At the conclusion of the engagement, we will request from management written confirmation concerning representations made to us in connection with the audit. The representation letter, among other things, will confirm management's responsibility for: (1) the preparation of the financial statements in conformity with US GAAP, (2) the availability of financial records and related data, and (3) the completeness and availability of all minutes of board meetings. Management's representation letter will further confirm that: (1) the effects of any uncorrected misstatements aggregated by us during the engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, and (2) we have been informed of, or that there were no incidences of, fraud involving management or those employees who have significant roles in the Agency's internal control. You will also be required to acknowledge in the management representation letter, when applicable, our assistance with preparation of the financial statements and related schedules, RSI and the schedule of expenditures of federal awards (if applicable) and that you have reviewed and approved the financial statements, aforementioned schedules and RSI, and related notes prior to their issuance and have accepted responsibility for them. We will place reliance on these representations in issuing our report.

In the event that we become obligated to pay any cost, settlement, judgment, fine, penalty, or similar award or sanction as a result of a claim, investigation, or other proceeding instituted by any third party, as a direct or indirect result of an intentional, knowing or reckless misrepresentation or provision to us of inaccurate or incomplete information by the Agency or, any elected official, member of management or employee thereof in connection with this engagement, and not any failure on our part to comply with professional standards, you agree to indemnify us against such obligations.

To the best of your knowledge, you are unaware of any facts which might impair our independence with respect to this engagement.

The financial statements are the property of the Agency and can be reproduced and distributed as management desires. However, you must notify us in advance and obtain our approval if you intend to make reference to our firm in a document that includes our auditors' report on the financial statements. Because our engagement does not contemplate the foregoing, there may be an additional fee in connection with our review of any such documents. In the event our auditor/client relationship has been terminated when the Agency seeks such consent, we will be under no obligation to grant such consent or approval.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

We understand that your accounting department personnel will assist us to the extent practicable in completing the audit. They will provide us with detailed trial balances, supporting schedules, and other information we deem necessary. A list of these schedules and other items of information will be furnished

to you before we begin the audit. The timely and accurate completion of this information is an essential condition to our completion of the audit and the issuance of the audit report.

We keep documents related to this engagement in accordance with our records retention policy and applicable regulations or for any additional period requested by the applicable cognizant agency. If we are aware that a federal awarding agency or the Agency is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation. We do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

As part of our engagement, we may propose standard, adjusting, or correcting journal entries to your financial statements. Management, however, has final responsibility for reviewing the proposed entries and understanding the nature and impact of the proposed entries to the financial statements. It is our understanding that management has designated qualified individuals with the necessary expertise to be responsible and accountable for overseeing the acceptance and processing of such journal entries.

Non-reliance on oral advice

It is our policy to put all advice on which a client intends to rely in writing. We believe that is necessary to avoid confusion and to make clear the specific nature and limitations of our advice. You should not rely on any advice that has not been put in writing by our firm after a full supervisory review.

Electronic and other communication

During the course of the engagement, we may communicate with you or with Agency personnel via e-mail or other electronic means. You should be aware that communication in those media may be unsafe to use and present a risk of misdirection and/or interception by unintended third parties, or failed delivery or receipt. In that regard, you agree that we shall have no responsibility for any loss or damage to any person or entity resulting from the use of e-mail or other electronic transmissions, including any consequential, incidental, direct, indirect or special damages.

Access to working papers

During the course of this engagement, we will develop files of various documents, schedules and other related engagement information known as our working papers. As we are sure you can appreciate, these working papers may contain confidential information and our firm's proprietary data. You understand and agree that these working papers are, and will remain, our exclusive property. Except as discussed below, any requests for access to our working papers will be discussed with you before making them available to requesting parties:

(1) Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practices. This program requires that once every three years we subject our system of quality control to an examination by another accounting firm. As part of this process, the other firm will review a sample of our work. It is possible that the work we perform for you may be selected for review. If it is, the other firm is bound by professional standards to keep all information confidential.

(2) We may be requested to make certain working papers available to regulators pursuant to authority given to them by law, regulation or subpoena. Such regulators may include (i) a federal agency providing direct or indirect funding or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities; (ii) the American Institute of Certified Public Accountants; and (iii) the State Board of Accountancy. If

requested, access to such working papers will be provided under the supervision of our personnel. Furthermore, upon request, we may provide photocopies of selected working papers to them. Our firm's maximum liability to the Agency for any reason relating to the services under this letter shall be limited to three times the fees paid to the firm for the services or work product giving rise to liability, except to the extent it is finally determined that such liability resulted from the willful or intentional misconduct or fraudulent behavior of the firm. Dispute resolution

Any claim or controversy ("dispute") arising out of or relating to this engagement, the services provided thereunder, or any other services provided by or on behalf of the firm or any of its subcontractors or agents to the Agency or at its request (including any dispute involving any person or entity for whose benefit the services in question are or were provided), except any claim by our firm seeking payment of our fees and disbursement, shall first be submitted in good faith for mediation administered by the American Arbitration Association ("AAA") under its Mediation Rules. The arbitrator shall have the power to award to the prevailing party reasonable legal fees associated with the arbitration and prior mediation. The arbitrator shall have no authority to award non-monetary or equitable relief of any sort. The arbitrator shall not have authority to award damages that are punitive in nature, or that are not measured by the prevailing party's actual compensatory loss.

The award reached as a result of the arbitration will be binding on the parties and confirmation of the arbitration award may be sought in any court having jurisdiction.

Any claim by our firm seeking payment of our fees and disbursements related to this engagement and the services provided hereunder shall be brought in a federal or state court of appropriate jurisdiction sitting without a jury. YOU AND OUR FIRM IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING RELATED TO NON-PAYMENT OF ANY OF OUR FEES AND DISBURSEMENTS.

This engagement will be governed by the laws of the State of New York, without giving effect to any provisions relating to conflict of laws that would require the laws of another jurisdiction to apply.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has caused to be prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the "Analysis"). The Agency has reviewed the Application, the Analysis and the Report and, based upon the representations made by the Applicant to the Agency and the facts and information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting (including, without limitation, the facts and information set forth in the

Staff Review of the Application), the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated including the prevention of economic deterioration, the job opportunities to be created and/or maintained by the Project, the Project will constitute a commercial facility and, therefore, the Project constitutes a "project" within the meaning of the Act;

(b) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to proceed with the Project;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility by the Applicant as agent of the Agency, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of the City). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within the City;

(f) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(g) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(h) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the City and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act;

(i) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, "retail sales" shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers;

(j) there is a lack of safe, clean, affordable, modern rental housing, including workforce and affordable units, in the City;

(k) such lack of safe, clean, affordable, modern rental housing, including workforce and affordable units, has resulted in residents leaving the City, thereby adversely affecting businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the City and otherwise adversely impacting the economic health and well-being of the residents of the City and the tax base of the City; and

(l) the Project Facility, by providing such housing will enable persons to remain in the City and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the City which will increase the economic health and well-being of the residents of the City, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the CEO/Executive Director and the staff of the Agency with respect to the Application and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing or otherwise in connection with the Project, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms of this Resolution.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Project Agreement, authorizes the Applicant to act as its agent for purposes of undertaking the acquisition, construction, installation and equipping of the Project Facility, and hereby approves the Applicant as the recipient of the Financial Assistance. The Agency hereby approves the granting of the Financial Assistance in the form of exemptions from sales and use taxes in an amount not to exceed $356,509, in connection with the purchase or lease of furniture, fixtures,

equipment, building materials, services and other personal property with respect to the acquisition, construction, installation and equipping of the Project Facility.

Section 6. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Bill of Sale to Agency and the other Transaction Documents, (b) grant an interest in the Project Facility pursuant to the Project Agreement and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) [reserved], (e) [reserved], and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Project Agreement, the Bill of Sale to Agency and the Environmental Indemnification and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairperson or the Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairperson and the Executive Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Project Agreement and the other Transaction Documents and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval. The Agency's closing administrative fee shall be $31,001.

Section 8. The Chairperson, Vice Chairperson and the Executive Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairperson, Vice Chairperson and Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12.
