NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GLEN COVE INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has caused to be prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Analysis and the Report and, based upon the representations made by the Applicant to the Agency and the facts and

information obtained by the Staff of the Agency and reported to and reviewed by the members of the Agency at this meeting, the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency makes the following findings and determinations with respect to the Project:

(a) as the Proposed Project involves the purchase of furnishings and fixtures, and the maintenance and repair of the Project Facility involving no substantial change to the Project Facility, it is not an "Action" that is subject to review under SEQR;

(b) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the City and the prevention of economic deterioration in the City, the Project will constitute a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency's purposes by promoting employment opportunities and preventing economic deterioration in the City. Therefore, the Project constitutes a "project" within the meaning of the Act;

(c) the granting of the Financial Assistance by the Agency to the Applicant is necessary to induce the Applicant to undertake the Project;

(d) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(e) the completion of the Project Facility by the Applicant as agent of the Agency, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other proposed user, occupant or tenant of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other proposed user, occupant or tenant of the Project Facility located within the State (but outside of the City). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(f) the Project will not result in the removal or abandonment of a plant or facility of the Applicant, or of a proposed user, occupant or tenant of the Project Facility, currently located within the City;

(g) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(h) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or

manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(i) the granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the City and the State, will improve their standard of living, and will prevent unemployment and economic deterioration, and thereby serves the public purposes of the Act; and

(j) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. Therefore, the Project does not violate the provisions of Section 862 of the Act. For purposes of this representation, "retail sales" shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Executive Director and the staff of the Agency with respect to the Application and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP, Garden City, New York, as Special Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at the Public Hearing, the IDA Meeting or otherwise in connection with the Project, including any correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms of this Resolution.

Section 5. The Agency hereby approves the Applicant as the lessee/sublessee under the Company Lease and the Agency Lease, authorizes the Applicant to act as its agent for purposes of undertaking the acquisition, construction, installation and equipping of the Project Facility, and hereby approves the Applicant as the recipient of the Financial Assistance. The Agency hereby approves the granting of the Financial Assistance in the form of (i) exemptions from sales and use taxes in an amount not to exceed \$146,676, in connection with the purchase or lease of furniture, fixtures, equipment, building materials, services and other personal property with respect to the acquisition, construction, installation and equipping of the Project Facility, (ii) [Reserved], and (iii) exemptions from real property taxes having an estimated value of \$1,725,321, consistent with the deviation set forth in the PILOT Deviation Notice Letter, for the reasons set forth in the PILOT Deviation Notice Letter and after consideration of the factors listed in the PILOT Deviation Notice Letter.

Section 6. The Agency is hereby authorized to (a) acquire interests in the Project Facility pursuant to the Company Lease, the Bill of Sale and the other Transaction Documents, (b) grant an interest in the Project Facility pursuant to the Agency Lease and the other Transaction Documents, (c) grant the aforementioned Financial Assistance, (d) execute the PILOT Mortgage for the sole purpose of encumbering its interest in the Project Facility or accept such other collateral as the Chairperson or the Executive Director shall determine to secure the performance by the Applicant of its obligations under the PILOT Agreement, (e) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject the Agency's interest in the Project Facility to the lien thereof, all to secure one (1) or more loans made by the Bank to the Applicant with respect to the Project Facility, and (f) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Company Lease, the Agency Lease, the Bill of Sale, the PILOT Agreement, the PILOT Mortgage and the other Transaction Documents, in the forms used by the Agency with respect to prior projects, together with such changes as the Chairperson or the Executive Director may hereafter deem necessary or appropriate, are hereby approved. The Chairperson and the Executive Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Transaction Documents and any other document with or in favor of the Bank to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such document, instrument and agreement by such person(s) shall be conclusive evidence of such approval. The Agency's closing administrative fee shall be \$44,077.50.

Section 8. The Chairperson and the Executive Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Agency Lease) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairperson and Executive Director of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution, but may include adjustments to the Financial Assistance granted hereunder. The approval of such

modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Special Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chairperson and Executive Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 13. This Resolution shall take effect immediately and shall be effective for one hundred eighty (180) days from the date of its adoption.
